

12 microfiches, which have been digitised

Reference is made to collection AD843B Records of the South African Institute of Race Relations, Part I, item 41.2.1. It contains the 'Summary of conclusions and findings, preliminary survey of the agricultural and nutritional problems of the Ciskei and Transkeian Territories made for the Chamber of Mines', which was presented by Fox and Back as 'Strictly confidential: Not for circulation'.

Please note: The quality of the microfiche is fairly poor and could not be enhanced substantially through digitisation.

- A "A preliminary survey of the agricultural and nutritional problems of the Ciskei and Transkeian territories with special reference to their bearing on the recruiting of labourers for the gold mining industry", by Francis William Fox and Douglas Back
