

RAND WATER BOARD

CHIEF ENGINEER'S REPORTS - CE Mason

- 631 Summary of report no. 630 - improvement of water supply (15/6/1931)
- 633 Replacement of motor lorries (16/6/1931)
- 630 Improvement of water supply (8/6/1931}
- 629 Monthly report for May (13/6/1931}
- 628 Suggestions arising out of reports nos 625, 626, 627 (28/5/1931)
- 627 Pollution of the Klip River Valley water (13/5/1931)
Results of bacteria examinations (18/8/1913 - 17/3/1931)
- 626 Klipspruit sewage farm (12/5/1931}
- 625 Zwartkopjes boreholes - quantity and quality of water (11/5/1931}
- 624 Bacteriological purity of potable water supplies (9/5/1931)
- 623 Bathing in River dams serving as drinking water reservoirs
- 622 Monthly report for April, 1931 (8/5/1931)
- 621 Contract No. 325 - Electricity driven centrifugal pump at Leeuwpoort Reservoir (14/4/1931}
- 620 Monthly report for March, 1931 (10/4/1931}
- 619 Contract no 340 - supply of 400 long tons of aliminium sulphate for the Vereeniging pumping station
- 618 Replacement of section of Paarlshoop-Village 10 inch and 14 inch pipelines by 18 inch diameter pipeline, excess expenditure (16/3/1931}
- 617 Monthly report for February, 1931 (13/3/1931)
- 616 Contract no. 339 - Erection of pump house at Zwartkopjes pumping station (17/2/1931)
- 615 Pipeline to Geduld Proprietary Mines (16/2/1931)

- 614 Additional motor cycle (16/2/1931)
- 613 Concrete lining No. 6 shaft - Zuurbekom Pumping Station (16/2/1931)
- 612 Feed water tank - Boiler plant - Zwartkopjes pumping station (16/2/1931)
- 611 Liquid chlorine requirements (16/2/1931)
- 610 Contract No. 338 - supply and delivery of one motor car (14/2/1931)
- 609 Two - 24 inch sluice valves for Zwartkopjes-Turffontein rising main (14/2/1931)
- 608 Monthly report for January, 1931 (13/2/1931)
- 607 Contract No. 338 - supply and delivery of one motor car (13/1/1931)
- 606 Monthly report for December 1931 (13/1/1931)
- 605 Motor transport - distribution engineer (9/12/1930)
- 604 Additional chlorine machine for Zwartkopjes pumping station (8/12/1930)
- 603 Monthly report for November, 1930 (5/12/1930)
- 602 Alterations to pipelines - Springs district (18/11/1930}
- 601 Water supply position (18/11/1930)
- 600 Quarters at Zuurbekom pumping station (18/11/1930)
- 599 Contract No. 336 - Erection of one pair of semi-detached cottages at the Board's Zwartkopjes pumping station
- 598 Contract No. 335 - Erection of a native compound at the Board's Zwartkopjes pumping station (17/11/1930)
- 597 Klipspruit sewage farm - interim report (18/11/1930)
- 595 Monthly report for October, 1930 (14/11/1930)
- 594 Alterations to pipeline in Du Tait Street, Near Paarlshoop pumping station (14/10/1930)
- 593 Air and compensate pumps for parsons steam turbine at Zwartkopjes pumping station (13/10/1930)
- 592 Renewal of portion of Simmer and Jack - Leeuwpoort pipeline (13/10/1930)
- 591 Monthly report for September, 1930 (10/10/1930)
- 590 Contract No. 331 - supply, delivery and erection at Zwartkopjes pumping station of one electrically-driven low-lift centrifugal pump (16/9/1930)
- 589 Additional steam-turbine boiler feed pump - Zwartkopjes pumping station (15/9/1930)

- 588 Confirmation of appointments (15/9/1930)
- 587 Renewal of portion of Zuurbekom - Paarlshoop 16 inch diameter main (15/9/1930)
- 586 Concrete lining of No. 6 shaft at Zuurbekom pumping station (15/9/1930)
- 585 Alterations to pipelines - Springs district (15/9/1930)
- 584 Klipspruit sewage farm (15/9/1930)
- 583 Monthly report for August (1930)
- 582 Liquidated damages - contract no. 322 - construction of reinforced concrete pre-sedimentation tanks at the Board's main pumping station, Vereeniging (12/8/1930)
- 581 Contract No. 334 - Excavating trench, handling and laying 33 inch diameter steel pipes from river intake station to main pumping station, Vereeniging (12/8/1930)
- 580 Quarters at Zwartkopjes pumping station (12/8/1930)
- 579 Native compound at Zwartkopjes pumping station (11/8/1930)
- 578 Supply of petrol (11/8/1930)
- 577 Monthly report for July, 1930 (7/8/1930)
- 576 Contract No. 322 - construction of reinforced concrete pre-sedimentation tanks at the Board's main pumping station, Vereeniging - Liquidated damages (15/7/1930)
- 575 Vaal River Scheme - duplicate pipeline from river pumping station to main pumping station, Vereeniging
- 574 Contract No. 310 - 600 KW steam turbo-generator at Vereeniging - acceptance of plant and liquidated damages
- 573 Monthly report for June, 1930 (9/7/1930)
- 571 Duplicate pipeline from River intake station to main pumping station, Vereeniging
- 570 Boundary wall at Paarlshoop pumping station (10/7/1930)
- 569 Contract No. 529 - supply of petrol (10 /6/1930)
- 568 Monthly report for May, 1930 (12/6/1930)
- 567 Supply of petrol (13/5/1930)
- 566 Oil removal fittings at Zwartkopjes pumping station (12/5/1930)
- 565 Zuurbekom - West Rand pipeline - special maintenance (12/5/1930)
- 564 Supply of coal - Contract No. 328 (12/5/1930)

- 563 Monthly report for April, 1930 (9/5/1930)
- 561 Village depot - completed works (14/4/1930)
- 560 Central workshop and stores depot at the village (14/4/1930)
- 559 Monthly report for March, 1930 (7/4/1930)
- 558 Accident to the Board's Graham motor lorry T V 365 at Vereeniging main pumping station (17/3/1930)
- 557 Contact No. 327 - supply and delivery of one motor car (18/3/1930)
- 556 Monthly report for February, 1930 (6/3/1930)
- 554 Purchase of motor car (18/2/1930)
- 553 Contract No. 326 - Additions to Quarters at Paarlshoop pumping station (18/2/1930)
- 552 Proposed deviation of a section of the 16 inch diameter pipeline, Village Main Reef to Simmer and Jack Reservoir (17/2/1930)
- 551 Supply of electric power for Booster pump at the Board's Leeuwpoot reservoir, Boksburg (17/2/1930)
- 550 Monthly report for January, 1930 (8/2/1930)
- 549 Vaal River scheme - Portion "18" of second unit - completion of work and statement of expenditure (15/1/1930)
- 548 Contract No. 325 - supply and erection at Leeuwpoot reservoir of centrifugal pump (15/1/1930)
- 547 Improvement to quarters at Paarlshoop pumping station (8/1/1930)
- 546 Workshop tools (7/1/1930)
- 545 Monthly report for December, 1929 (6/1/1930)
- 544 6 Inch Diameter pipeline to City Deep, Ltd (6/12/1929)
- 543 Electrical plant - special maintenance at Zuurbekom pumping station (10/12/1929)
- 542 Monthly report for November, 1929 (6/12/1929)
