

BARLOW RAND ARCHIVE: PHOTOGRAPH INVENTORY

- I**
1. 622 ERPM (49) **Agnes Munro Gold Mining Company Ltd**
Agnes Munro Gold Mining Company Ltd, formed April 1889. Situated half mile from Boksburg Station between the Comet and Cinderella properties (+negatives)
- II**
- Angelo Deep Gold Mines Ltd**
4 images
Geo B Neilson
- III**
- Angelo Gold Mines Ltd**
1. 622 ERPM (50) Image of shaft (+ negatives)
2. Worker underground
- IV**
- Bantjes Consolidated Mines Ltd**
1. 622 BAN (1) Bantjes Mine, 1917 (6 small images)
2. 622 BAN (2) Bantjes Reduction Works, 1917 (6 small images)
3. 622 BAN (3) Bantjes Butters 1917: Rex Stevens; Bantjes Staff Mess, 1917
- V**
- Blyvooruitzicht**
1. 622 BLY(35) Fourth shaft
Derrick A Bridge
2. 622 BLY (36) The reduction plant
Haskins
3. Carbon leader, No. 1 Shaft, Blyvooruitzicht
4. Rod mills
Lindsay Smithers
5. Eight miles of belting
Lindsay Smithers
6. 622 BLY (39) Main offices, built at a cost of £38 310
7. 622 BLY (37) View of main offices with Eastdene village in background. Taken from No.1 shaft headgear.
8. 622 BLY (48) Overview
9. 622 BLY (26) Looking north, January 10, 1952
10. 622 BLY (30) Construction of reduction plant, November 1952
11. 622 BLY (27) Looking north, February 12, 1952
12. 622 BLY (28) South, November 17, 1952
?. 622 BLY (29) Looking North, November 17, 1952

14. 622 BLY (25)	General view of Blyvooruitzicht Gold Mining Company Ltd looking North. No.1 Shaft in centre with reduction works and uranium plants in the background. Construction in foreground is church for members of the Church of England, since completed.	
15.	No. 2 Shaft Blyvooruitzicht Gold Mining Company Ltd. The subway shown at bottom centre runs under main haulage from No. 2 Shaft to the reduction plant.	
16. 622 BLY (21)	Blyvooruitzicht, 1938 (7 small images)	
17. 622 BLY (22)	Blyvooruitzicht No. 2 Shaft: 1928 (8 small images)	
18. 622 BLY (15)	Smelting house	
19. 622 BLY (13)	Assaying lab	
20. 622 BLY (40)	Six-level pump chamber	
21.	Bath house looking from headgear	B Olwage
22. 622 BLY (32)	No. 2 Shaft. 10-Ton winder	
23. 622 BLY (3)	8-Ton winder - No.1 Shaft	Alan Yates
24. 622 BLY (2)	M.G. Set. No. 1 Shaft. 8-Ton winder	Alan Yates
25. 622 BLY (4)	M.G. Set. No. 2 Shaft. 10-Ton winder	
26.	Opening of Blyvooruitzicht Recreation Club	Pictone Studios
27.	Opening of Blyvooruitzicht Recreation Club	
28.	Opening of Blyvooruitzicht Recreation Club	
29.	Opening of Blyvooruitzicht Recreation Club, Lord Baillieu	Star Johannesburg
30.	Opening of Blyvooruitzicht Recreation Club	Pictone Studios
31.	Opening of Blyvooruitzicht Recreation Club	Pictone Studios
32.	Pouring of first bar of gold at Blyvooruitzicht (postcard)	
33. 622 BLY (33)	Recreation Club, Blyvooruitzicht	
34. 622 BLY (38)	North view of staff mess, completed in 1949 at a cost of £36,680	
35.	Senior staff house, cost £8.400 in 1950	
36.	Residential flats, completed in 1945 at a cost of £31,900	
37.	Semi-detached staff houses, cost £4,680 per pair in 1946.	
38.	Staff house built in 1946, costing £2,540.	
39. 622 BLY (31)	General view of No.2 Compound	
40.	Kitchen - No.1 Compound, showing steam cooking arrangements	
41.	Ward in native hospital	
42.	Non-European hospital, completed in 1951 at a cost of £83,000

Collection of negatives

VI

Bourke's Luck Mine (TGME)

1. Natives coming off shift crossing the river (+ negative)
2. Reduction Works
3. Bourke's Luck approx. 20 miles north of Pilgrims Rest, Blyde River Centre
4. Bourke's Luck power station
5. Bourke's Luck power station
6. Bourke's Luck near Pilgrims Rest
7. Bourke's Luck near Pilgrims Rest
8. Bourke's Luck near Pilgrims Rest
9. Bourke's Luck, 1952

VII

Braamfontein Company Ltd

1. 968.221:A (28) Eckstein's houses (+ negatives)
2. 968 221:A (31) Parktown, 1904 - Eckstein's houses (includes marking 'road to Sans Souci').
3. 968 221:A (29) Eckstein's houses (+ negatives)
4. 968 221:A (32) Parktown, 1904 - looking up from Sans Souci to Loch Avenue
5. 968 221:A (30) 1904 Parktown - Eckstein's houses
6. 968 221:B (49) The Main Walk and Bandstand, the Zoo, Johannesburg WM Berlein
7. 968 221:A (11) A glimpse of Sachenwald (Hermann Eckstein-Park)

VIII

Brakpan Mines Ltd

1. 622 BRA (1) State Mines, Brakpan
2. Underground image (x 2)

IX

Cason Gold Mining Company Ltd

1. 622 ERPM (53) Image of shaft
2. Workers underground; workers above ground (4 small images) Geo B Neilson
3. Pulling down hanging ; workers underground (4 small images) Geo B Neilson
4. Box in drive (4 small images) Geo B Neilson
5. Sports team; underground scene (3 small images) Geo B Neilson

6.	Underground image; workers (3 small images)	Geo B Neilson
7.	Timbering drive; grizzlies (4 small images)	Geo B Neilson
8.	Machine driving; workers underground (4 small images)	Geo B Neilson
9.	Workers underground (4 small images)	Geo B Neilson
10.	Shops; underground image (4 small images)	Geo B Neilson
11.	Underground images (4 small images)	Geo B Neilson
12.	Two machines in winze; workers underground (4 small images)	Geo B Neilson
13.	Loading skip at 8 box; cage at 8 station (4 small images)	Geo B Neilson
14.	622 ERPM (54) About Cason cyanide tanks	
15.	Under Cason head frame	
Unnumbered	Negatives	

X Central Mining and Investment Corporation Ltd

1.	968 2211:C (40) Coronation, Queen Elizabeth, 1953 (see building bunting)
2.	968 2211:C (34) Bunting on Corner House (3rd): Duke of Windsor's visit 1925.
3.	See caption for 4.
4.	1913/1922 Strike (?). Sitting: left - FC Adams, centre unknown, right - A L Bailey. First row: fourth from left - WJ Endean. Back row, unknown.
5.	Engineering Dept: Drawing Office staff. L to R (back row): A Robertson (?), F Robinson, RW Macadam, Wilkinson. Middle: JA Norcom, S Gotzsche, G Campbell, Wilmot, unknown, R Ross, C Henwood, WB Walker, A Pedersen (hat), C Horseman, CG Stone, Brodie. Seated: A Cowie, A Davidson, unknown, JC Watson and A Charsley.
6.	Engineering Dept: Drawing Office Staff, 1912. Captioned on the back.
7.	Electrical and Mechanical Technical Staff, April 1951. Captioned on the back.
8.	Mechanical and Electrical Department.
9.	Mechanical and Electrical Department.
10.	Engineering Department, 1914. Captioned on back.
11.	Electrical and Mechanical Department staff, April 1951. Captioned on the back.

12. Departmental staff, April 1951. Captioned on the back.
Unnumbered Drawing office staff, February, 1912

XI Cinderella Gold Mining Company

1. Mother and daughters; sorting at conveyor belts (3 images) Geo B Neilson

XII City & Suburban Gold Mining Company Ltd

1. 622 CIT-SUB (3) Cyanide and Slimes Works, City and Suburban Mine
2. 622 CIT-SUB (6) Interior City & Suburban Battery Simpson Bros
3. 622 City-SUB (1) City & Suburban Gold Mining Company's Battery Simpson Bros
4. 622 CIT-SUN (5) Smelting furnace, City & Suburban Mine
5. Johannesburg (looking East), 1888 Christmas Copied from Dugmores Cabinet series, Africana Museum, Johannesburg
6. 622 CIT-SUB (2) City & Suburban Cyanide Works Simpson Bros
7. 622 CIT-SUB (4) City & Suburban Cyanide Tanks
8. 622 CIT-SUB (7) City & Suburban Whiting Hoist Engine
9. City & Suburban Managerial Transport (Wolseley, 1912-1914 Vintage)
10. City & Suburban Managerial Transport, Landau Carriage, 1917-1918
11. 622 CIT-SUB (9) No. 8 City & Suburban Gold Mine - hammer boys at work, 700ft
12. 622 CIT-Sub (8) No. 9 City & Suburban Gold Mine - electric pump, about 700 ft.
Unnumbered Negatives of pics 1 and 4

XIII City Deep Ltd

1. AEG Engine imported for Crown and City Deep Mines, duly used for a short time E Conradie, SAR Reference Library
2. 622 CIT (11) Compressor House Derrick A Bridge
3. 622 CIT (11) Compressor House Derrick A Bridge
4. 622 CIT (12) Underground: City Deep Mine
5. Ergometer set up in City Deep in 1919 - experimental research on heat trauma. Mine Medical Officers Association History
6. 622 CIT (9) Volunteers for 1914-1918 War

7.	Last production shift, City Deep -last blast at 14.50pm Nov 15, 1976. 71 Years' operation, R2m, 474t gold. World's deepest mine in 1967.	Mining Sun, 2/12/1976
622 CIT (5) Unnumbered	No. 1 Shaft, Whiting Hoist Negatives.	Derrick A Bridge
XIV	Consolidated Main Reef Mines and Estates Ltd	
1. 622 CMR (1)	Slimes plant, 1906	Presented by Mr G Sivertsen
2. 622 CMR (6)	Pigstye support holding stope footwall which had broken away	Industrial Photography
3. 622 CMR (5)	Stoped out area with filled pigstye and pillar support	Industrial Photography
4. 622 CMR (12)	Acting General Manager and staff, 1921	
5. 622 CMR (4)	Group posing with steam driven engine, uncaptioned (see 7 below).	
6. 622 CMR (3)	Man indicating 'Texas Jack' sign on back of steam engine per above.	
7.	Old steam-driven engine, 29/01/1919. Ms Anna Smith (far right), Crosby(?).	Presented to Africana Museum, 07/1963
