

Follow South Africa's Two Leading Beauties— "Use TWO KARROO CREAMS!"

MISS SOUTH AFRICA 1956

Miss Isabella Pretorius is a really gorgeous beauty! Just LOOK at her lovely, light complexion and you too will agree that she deserves the title of Miss South Africa 1956. Don't you wish you had a complexion like hers? Well, simply use the Two Karroo Creams—that's what Miss South Africa advises.

MISS SOUTH AFRICA 1955

Miss Hazel Fata was the winner of the Miss South Africa Beauty Contest in 1955. She is a regular user of the two Karroo Creams and recommends them to you.

For a Light, Clear, Smooth Complexion

All you have to do is use Karroo Freckle Cream at night—every night. You simply rub it gently onto your face last thing at night before you go to bed. In the morning wash it off again. After repeating this beauty treatment every night, for a few days, you will soon begin to see the difference in your complexion. Your friends will notice it too! Everywhere you go, you will attract admiring glances.

In the daytime use Karroo Matt Cream. Your complexion will never look shiny when you use this wonderful "matt" cream; because "matt" means non-shiny. It does not make your skin feel, and look hot and patchy—even on the hottest summer days. You will look strikingly lovely all day with Karroo Matt

cream. Karroo Matt Cream is made to go with Karroo Freckle Cream, specially for you!

DO YOU DREAM?

Do dreams ever come true? In their meaning plain or not? These interesting questions, and many others, are answered in the 32-page illustrated wonderful Diamond Dream Book. If you would like a copy of this Diamond Dream Book simply write your name and address on a piece of paper and send this, with 6d. in stamps, to KARROO MATTERS, P.O. Box 30, Middleburg, CAPE. The Diamond Dream Book will then be sent to you.
