Johannesburg Sittings
INCOMPLETE.

Extracts from the minutes of Sittings from 5th-22nd May. Discussion of the effects of prohibition, notably illicit brewing, and crime. Mines are the only places where Kaffir beer is allowed to be distributed - for reasons of health & to prevent outside drinking. Evidence is given of women brewing beer illicitly to supplement income, some turn to prostitution as well. Discussion of advantages and disadvantages of home-brewing. Dr. Xuma's argument.
