DIOCESE OF PRETORIA

REPORT OF THE DIOCESAN TRAINING COLLEGE

1942-1943

To: The Right Reverend the Lord Bishop of Pretoria and members of the Pretoria Diocesan Synod.

My Lord and Members,

In introducing this report I should first<sup>of</sup> all like to record my thanks to S.P.C.K., S.P.G. and T. and S.R.M. for their continued and generous support. The College owes a real debt of gratitude to these Societies. Also I wish to record my grateful appreciation of the loyal way in which the staff both African and European have co-operated with me

STAFF. At the end of 1942 the Reverend Mother Superior C.R. withdrew the Sister Maud Marion C.R. who had been needlework instructress to the Normal Department for a good many years. Her place was taken by the Sister Alice Mary C.R. who had been on the Normal staff. She was replaced by Mr. Ngoasheng. Then the T.E.D. very kindly gave us an additional grant for a teacher in the Normal Department and Mr. Seville Nomgca who had done such good work with Standard VI was appointed. At the end of 1942 Mr. S. Makgobotloane who had been such a great help as Secretary asked if he could be appointed as a teacher and so replaced Mr. Ngoasheng in the Practising School. Mr. Phalane who had been in the Practising School since 1935 resigned at the end of the year and his place was taken by Mr. Hans Lesolang of Khaiso School. Mr. Nomgca's place was taken temporarily by Mr. Isaac Mashike. At Easter The Reverend Mother withdrew the Sister Ailsa C.R. who had been in charge of the Laundry section of the Girls' Domestic Science and she was replaced by the Sister Ruby C.R. In addition the Reverend Mother C.R. sent us Sister Evelyn C.R. - a trained nurse - to assist with the sick and wounded. Her help has been very much appreciated. At the time of writing this report Mr. Dambhuza has arrived as Secretary from Tiger Kloof.

BUILDINGS. A new dormitory has been added to the boys' section and in February this year a new dining hall and kitchen for the boys was opened by the Chief Inspector for Native Education and blessed by the Bishop of the Diocese. The hall is known as the Aitken Hall as it was by means of the Miss Aitken's bequest that the building was erected. The old dining hall has been changed into the library and by means of a substantial grant from the T.E.D. it has been made into a very pleasant building. The old Library is being used as a classroom for half of the First Year which is taken by Mr. Nomgca. At the time of writing a new dining room and kitchen for the African staff is in process of erection with cement blocks instead of brick. As a temporary measure it is hoped to enlarge the present chapel.

SCHOOL WORK. The school work has gone on steadily and although there have been many changes on the staff continuity has been maintained. Three Inspectors examined the College in oral and practical work and their report was favourable. The examination results were a little disappointing. They may be summarised as follows.

	<u>No. of Cand.</u>	<u>Pass</u>	<u>Aggr.</u>
N.T.H.	10	4	2
3rd Year	23	4	11
2nd Year	50	29	3

There would have been more passes in the 3rd Year but the majority of the 11 who obtained the aggregate failed to pass in Arithmetic which they carried forward from the 2nd Year.

NUMBERS. Our numbers have been well maintained in all Departments. When accommodation has been increased more students will be accepted. The present numbers are as follows:-

N.T.H.	24
Normal	139
Carpenters	21
Domestic Science	27
Primary	300

REPORT OF THE DIOCESAN TRAINING COLLEGE - contd.

SOCIAL ACTIVITIES. It is impossible to give all the details of all that goes on outside school hours. The Pathfinder Scout and Wayfarer Guide organisations continue to flourish. Both troops went to camp and both received good reports from the respective organisers. There is quite a high standard of efficiency in them both. Five Wayfarer Guides have passed the First Class Test and they are the first Africans in the Union to obtain this badge.

Four have qualified for the Captain's Certificate and again they are the first Africans to receive this distinction in the Union.

The Debating and Discussion Club holds its meetings regularly and Mr. Franz the Circuit Inspector gave a very good bioscope show one evening. At another time Mr. Tshetlo - the organiser of the Carnegie Non-European Library spoke to the students on the value of reading.

Sport continues to be a very popular feature of the College and there have been many exciting House football matches Talbot appearing to retain its superiority. Our old rivals Khaiso School defeated the College at football but the College is looking forward to having its revenge soon.

The entertainment society has been very busy this term and produced a very successful concert. The dance held in Easter week proved to be one of the best held in the College.

A new feature of our Michaelmas festivities was a Sports meeting held with Pax at which the College was successful by 67 points to 45.
