

How to keep your Baby Happy

Your baby's skin is more tender than yours, and needs special care. Put on pure "Vaseline" brand white Petroleum Jelly every day. It is splendid for protecting the little one against chapping and chafing wherever clothing rubs. And a thin coating helps prevent and heal "nappy rash". "Vaseline" WHITE Petroleum Jelly is the best thing you can use when the children cut or burn themselves. Always keep a jar in your home.
