## KARROO CREAMS for Beauty"

Miss ISABELLA PRETORIUS was crowned Miss South Africa on October 27, at the Bantu Sports Ground, Johannesburg, by the wife of the Paramount Chief of the Zulus. She was chosen as Queen of our Beauties by popular vote out of many Beauty Queens from all over.

Miss South Africa says: "To win a Beauty contest it is most important that you have a lovely, light, clear, smooth complexion. My Beauty secret, like that of many another Beauty Queen, is the two Karroo Creams. Yes! the way to improve YOUR complexion is to use the creams of the Beauty Queens."

Take Miss South Africa's advice, she should know. Use Karroo Matt Cream in the daytime, it gives you a smooth, non-shiny complexion. It does not make you feel and look hot and patchy.

Every night simply rub Karroo Freckle Cream gently into your face. Always remember the way YOU look tomorrow depends on YOUR Beauty treatment tonight. Karroo Freckle Cream will remove those ugly, blemishes and pimples. Karroo Freckle Cream will give you a light, clear, smooth complexion that everybody admires, and every woman wants.
