Dear Mammy.

I hope you are making the best of this nice
spell of weather, as you have not much time left.
I am quite allright here, I am finishing my job
to day. I have given in a new estimate for more
repairs amounting to about £300 more, but I was told
they can not give me a reply for a few days
as they have to settle the money for the premises
to day and they are running short of money.
althoug this Engeneer told me they will have to have it
done soon. Any how I am putting off my men to day.
Alltogether I have not done badly for the 2, or 3 weeks
I think I will have about £150 profit. (I wish I could
manage it every week) I am also expecting the Commission
this week or early next. I am now going up to
Golders Green and see the fossens regarding their house
and if there is any further delg I think I will look
for a flat in town

for the winter, I think there are some plots
in Kensington and Bayswater, any where for
a short time unless we know more
what is going to happen. If you have received
the cheque from Manchester send it along
to me if early in the week, otherwise it can
wait until Saturday and I can pay it in the
bank in Bournemouth. I hope it is a big one
this time. I forgot to tell you some one came
to London from Johannesburg and made inquiries
about us from Coakie she doesn't know if we
still in London. I think you ought to go and see her
this winter. I think I told you every thing.

is Vera good? I hope she is a real help
to you this week.

If you see Mr. Bishop tell him that next Sunday
at the meeting in "Peace with Russia" which I
presume will also take place in Parkstone, I should
also like to speak.

Hope you are happy
Kind regards to Every body
I love to you & kiddies. I am.
