WELCOME TO THE CLUB!

Yes, Indeed, I say just that. The Soccer followers of Lenasia had beyond any doubt indicated in no uncertain manner that a Lenasia based Team be formed to fill the void created by the exodus of our two Professional Teams.

A few dedicated men got together and worked feverously towards the establishment of LENASIA BLUEBELLS.

Working towards the idea of promoting young talent of Lenasia a scouting had begun. Various amateur teams were approached, with the aim of a team with entirely Lenasia Players. Unfortunately, this could not be a reality as there is definitely a transition between Amateur Soccer and Professional Soccer.

Let us be honest with ourselves. One cannot just take an untrained and uncoached and an inexperienced player into the paid ranks. A Special Programme has to be laid and planned. And believe you me, this takes time, money and patience. A few Professional Players were approached with the aim of strengthening and instilling enthusiasm into our young set. A trail match was played and we realised that there is a big, big, big, difference between seasoned Professional Players and potential up and coming amateurs.

If we weigh the situation carefully, we will arrive at the following :-

1. Start a full scale Pro Team or
2. Be satisfied with our young bunch of tryers and allow them time, money and patience to turn out Pro-material in two years time.

LENASIA BLUEBELLS is the "PEOPLE'S TEAM" but this slogan can only materialise with 100% backing of Supporters. It is no easy task to run and organise a Pro-Team. And from experience I can tell you that the end result can only be pure satisfaction Satisfaction in that you are involved with FEDERATION FOOTBALL that subscribes to the wishes and requirements of F.I.F.A.

Being actually involved with LENASIA BLUEBELLS, one can look with Pride and confidence and safely say that I, as a person will not be subjected to injustices and victimisation that would hamper and retard my progress in what field of sport I may choose to involve myself.

It does afford one the exhilarating satisfaction of being able to make the situation much more easier for the oppressed in order that they may be free to exercise their human rights and self-respect.

May I , say in conclusion, that the time and situation is beckoning if we stop to ponder we shall surely have missed the boat.

Yours-in- our-fight-for-DIGNITY-AND SELF-RESPECT.

PARLEY R. NAIDOO.

PRESIDENT.

SUPPORT YOUR TEAM!

It is indeed an honour to be Secretary of this Club, and I am supported by my able assistant, Mr.Monty Narsoo , in saying we will endeavour to carry out our duties to the best of our ability- DUTIFULLY and DEVOTEDLY.

This team called the People's Team- has been created by YOU the People FOR the People FROM the People to quote Abraham Lincoln.

The onus is upon us the People to support OUR club, as it is only with the support of YOU the People that this team is going to make headway at all.

We appeal to you to help us financially with whatever you might be able to help us with. Please support our Fund Raising Ventures and bear in mind that if one thousand (1,000) "People" donated one Rand (RI-00) each , it would meet our expenses for our TWO trips to Durban. To enlarge on this on this would be futile, as Lenasia has more than one thousand (1,000) residents and "People's" Team supporters. The whole year's expenses would be covered if each sincere supporter donated a minimum of one rand (RI-00) each.

Come on "THE PEOPLE" - support YOUR TEAM- and help us to make ours the most phenomenal Team in football history- A TEAM RUN ENTIRELY BY YOU THE PEOPLE.

The "Brains" Behind The "Bells"

THILLAY PILLAY :CHAIRMAN BLUEBELLS
COUNCIL FOR SPORT

*Best of luck to Lenasia Bluebells.
Their Association with our Council
assures their recognition by the
world body F.I.F.A.*

VINCENT G. NAIDOO: SECRETARY BCFS.

*LENASIA BLUEBELLS historic entry
to the Paid Ranks of the SASF
Professional League is the correct
step. The SASF is the only body that
can bring about the Proper
Normalisation of Soccer. The SASF
have not yet had strange Financial
Inquests or Laughable Elections.
In one breath, George Thabe,
President of the rival SANFA says
he is trying to get South Africa
back into F.I.F.A. In another breath
he says he does not believe in
Fed's type of Non-Racialism.
I am convinced that George does
not know the resolution that got
South Africa kicked out of F.I.F.A.
If the Havelanges, the Crawens, the
Altantaras, the Kasers and the Halims
were aparty to that resolution, then
any person who says that POLITICS
should be divorced from SOCCER,
HAS ABSOLUTELY NO RIGHT TO BE IN
FOOTBALL ADMINISTRATION.*

SIVIL PILLAY - PRESIDENT. BLUEBELLS F.C

*LENASIA BLUEBELLS need FINANCIAL
support more than MORAL SUPPORT.
It's up to you the people to give
them both. Lenasia Bluebells came
about by the People- if the People
want them to exist, it's up to the
People to keep them in existence.*

GARY MOONSAMY- BLUEBELLS UNITED JUNIORS.

*The gap between the Young Footballer
and the Professional will soon be
narrowed- thanks to the brave efforts
of LENASIA BLUEBELLS.*

MANO " GOERGIE" PILLAY. BELLS SPORTING.

*The Creation of LENASIA BLUEBELLS
brought about great foresight for
the Young Footballer.*

ROD MOONSAMY : BELLS DARTS CLUB.

*Wishing LENASIA BLUEBELLS the
Best of luck in their efforts
of maintaining SASF traditions in Lenasia.*

NORMAN PADIACHEE- BELLS GOLFERS.

*Like we have pledge all our support
to LENASIA BLUEBELLS- we expect all
sincere People to do likewise.*

NIMI MOODLEY- BELLS NETBALL CLUB.

*The Inception of LENASIA BLUEBELLS
means the revival of some of those
Great Social Events. The turning
all around the Transvaal will be,
"WHO WILL BE MISS BLUEBELLS 1979"*

SHARIFA CASSIM: BELLS HOCKEY CLUB.

*As long as there is a BLUEBELLS
team with the SASF, the LENASIA
STADIUM and the fight for NON-
RACIAL Soccer will never be
forgotten.*
