NOW — GREATER KNITTING VALUE THAN EVER BEFORE

There's more of everything in the all-new Veldspun wools—more quality—more wear—more value for money because NEW VELDSPUN is the first knitting wool to be awarded the S.A. Bureau of Standards mark which guarantees the highest possible quality for you—look for the S.A.B.S. mark when you buy New Veldspun.

There's more resistance to shrinking because New Veldspun is miracle Dylon Processed which eliminates shrinkage worries after washing—your garment knitted in New Veldspun wool will retain its shape and colour after repeated washing—in fact, it will be even softer after washing—no shrinking—no matting—no hardening—with the New Veldspun wool, AND there are more bright, gay fashion shades to choose from—there's everything you want in New Veldspun knitting wools.

Knit this attractive, flattering sweater in ERICA CREPE from Veldspun knitting pattern No. V223 and the little girl's jersey in SADRINA, 3-ply from Veldspun pattern No. V173.
