It's nice to be beside the sea!

The other day Mr. Z. J. Luthige popped into Durban to have the picture taken. He lives on the Natal South Coast and many of us, who live in town, envy him. But, even living by the sea, Mr. Luthige used to suffer from an upset stomach and tiredness. That was, of course, until he started to take double-action **SUPER-TABS**. Now, he says, he's feeling a different person.
