Rev. S.G. Mvambo,
"Umthunywa",
UMTATA.

My dear Rev. Mvambo,

I must thank you for the courtesy and honour you did me by remaining over and giving me an opportunity for acquaintance and discussion. I learnt much from that contact.

I am sending you, under separate cover, a copy of "Kaffir Beer" and hope you will enjoy reading it. We have got enough for sale at 7d. by post and a penny commission per copy is allowed to agents.

By the way, the resignation of Senator Welsh might tempt many there to think of Mr. Fife King; but I hope better counsel will prevail.

Remind the people about the Nurses' episode.

I have heard rumours of Principal A. Kerr, I hope never.

The man I would like to suggest from close study is Mr. J. Neil Boss of Mobbs Shoe Manufacturing Company, Port Elizabeth. He has done many interesting things such as employing qualified Agricultural Demonstrators on his farm on responsible positions and uniform privileges for his employees, and is assisting financially and actively in social work among the Non-Europeans.

He is a man of independent views which are very favourable for the underdog. It will be quite refreshing for an outsider to represent the Transkei and be guided by the members of his constituency and not feel that he knows more than they, especially a man with independent views and means as is Mr. Boss. I hope

I hope you will contact Messrs. Mzazi, Qamata, Sakwe and others on this matter and let me know of the results.

With best regards,

Yours very sincerely,

My dear R.T. Bokwe

I thank you for your kind letter and the Memorandum you sent me.

I am quite encouraged not only by your kind words; but more so by your active interest in public affairs. This is most gratifying.

With volume of work I had to postpone replying to your kind letter.

I realise your disgust and realise that these fellows have no influence; but the scamps are resourceful enough and will stop at nothing to succeed with their intrigue.

I note your suggestion about expulsion. I would, however, say I would prefer that all men of responsibility like you and others should keep in communication with responsible friends in different areas along the line you wrote suggesting that they form branches of Congress in their areas, asking ~~for~~ from the Provincial Treasurer and having the branches recorded with the Provincial Secretary, and, as soon as that is done, the branches to request the calling of a Provincial Conference. If and when such a conference is called a vote of no confidence can be passed and, if it succeeds, the Province may and can expel these people, and start rebuilding Congress on firmer foundations.

O qongqotwana xana be kukuz'itambo kufuneka umntu aye kubo abotuse baya kulilahla.

We have our thumbs up and hope all is well.

Tell Zack not to fail to be at Cape Town on morning or early afternoon of the 3rd. proximo or evening of the 2nd for the Congress deputation. He must be there for our case on Education.

What do you think of Mr. J. Neil Boss of Port Elizabeth as successor to Senator Welsh. I am inclined to support his candidature.

Dear Dr Xuma,

I am in receipt of your letter of the 9th instant, and I thank you for the return of Hansard. Under a separate I have sent you the ^{the} Miners' Phthisis Amendment Act, 1941.

I regret I am not in a position to get you the information you ask for, namely, amounts paid for Europeans for irrigation schemes and hand Bank loans, etc.

I very much deplore your tendency to wholly rely on deputations to Calpe Town or to Ministers in the exercise of your leadership as ^{the} President of the African National Congress, and to ignore contemptuously the constitutional channel and institution set up by Parliament through which we should voice our grievances and whatever representations we wish to bring before the Government and Parliament.

You

You have, by all means, the right to interview Ministers of the Crown. But the main point is the way you go about it. If these matters you wish to see Ministers about have not been before the Representative Council, you are likely to take them no further or to effect any improvement on them.

Simply because the Ministers and the Departments concerned will take up the usual official attitude that if those matters are in the general interests of our people, or they affect them generally, it will be more satisfactory to obtain the views of the Representative Council on them.

On the other hand, it is more satisfactory and more effective to interview the Ministers or the Heads of the Departments when, after you had made representations ~~to~~ through ~~the~~ Representative Council, the matter you complained about has become worse or that such representations have been wholly unheeded.

I am afraid I do not see the policy you are following only strengthens the hands of those quarters which, from their anti-Native prejudice, would like the

the world believe that our
 intelligentia contemptuously
 ignore the masses - the
 wishes and views of the
 masses. They now ~~even~~
 contemptuously ignore even
 the institutions and
 councils set up for them
 by Parliament.

At the expense of repeating
 myself, I tender no
 apology for telling you
 that our deadliest
~~enemies~~ enemy is the
 combination of Senator
 Neaton Nicholls, Senator
 Rhinault Jones - their S.P.
 Institute of Race Relations
 and their policy of
 Trusteeship as
 enunciated by Senator
 Neaton Nicholls and later
 by General Smuts.

It is this combination
 which we have to face.
 It is a powerful combina-
 tion of great and very
 able of brains. They have
 laid down before the world
 what they want us, as a
 pt people, to do and to be.
 And General Smuts, as the
 Prime Minister and the
 Head of this country, has
 accepted and placed it
 before the country as a
declaration of policy.

What our Race leadership should now concern itself with is:

(1) A comprehensive and well written statement of the many legal disabilities and race discriminations, restrictions, etc. which we want, ^{as} a people, like removed by White South Africa, after the war, as their good will gesture to prove their sincerity and genuine goodwill, after the war. This statement should be very carefully worded and written by selected ~~for~~ - say 3 or 5 of our leading men - whom we know can put their heads together and work harmoniously in the interests of our cause. This statement should then be submitted to the Representative Council where it will be discussed frankly & freely by all "representatives".

(2) A similar statement, made in the same way, as our reply to and our views on the policy of Trusteeship enunciated by Senator Nicholls, the General Council and by the Native Affairs Commission.

These hasty and patchy, ~~it is~~ and hurriedly considered "interviews", "deputations", and the like, do us no good at all ~~however~~ ~~effect~~ whatever of spectacular temporary advantage they may gain. We are dealing with ^{great} ~~large~~ issues which affect our race the future of our race. Self-complacency and self-confidence are a very dangerous weakness and a characteristic on the part of our leaders. With kind regards
Archib. McElle.

Dear Dr Xuma,

Thank you for your letter re the Deputation to the Cape Town. Of course this is a very awkward time for me to get away from the College as we have just started our term, but I have seen the Principal & he is prepared to stretch a point if we can cut down the time of absence to the absolute minimum. Now what I ^{want} ~~know~~ to know is this

① Is March 14th a certain date. In other words, I don't want to go all the way to Cape Town only to find that the date has been changed. I shall have to leave here on Friday 27th to reach Cape Town on Sunday afternoon 1st March. So if there is any change in date you must advise me by Friday before 1 pm.

② Can you guarantee my expenses? It's a long way from here to Cape Town & it will cost a fortune. So it's absolutely necessary that I should be there, because if not, you can save some money by not including me. By the way I hope you have not turned the Santa Walford Trust donation for travelling expenses. It will come in handy for just this sort of thing. Meantime let me know if my expenses will be met. I think they will come roughly to about £12. Remember this is not excursion money. Can you send me £10 for rail fare

③ What sort of information do you want me to bring along.

④ How will you be going down? If you are coming down by train, can you arrange for us to meet along the way so that we might have a preliminary discussion of plans. If I leave here Friday evening I should reach Neamutport on Saturday afternoon & join the Johnny train there. Please write and let me know if we can meet anywhere. If I leave here on Monday 2nd I'll not arrive at Cape Town on Wednesday 4th which will be too late.

I hope to hear from you before you leave Joburg.

By the way, re elections, we down here favour Kuchman rather than Neil Ross. We can discuss this more fully in Cape Town.

Kind regards

Yours
J. K. Matthews

Dear Mrs. Ballinger,

I received your letter of recent date for which I thank you.

We deeply regret our inability to see the Prime Minister; but we suspected it. However, we are determined to strike a bargain notwithstanding the circumstances.

Anyway, we are informed that the Prime Minister has asked Colonel Reitz, in his capacity as Deputy Prime Minister and Minister of Native Affairs, to meet the deputation.

I have replied to Mr. Smit as follows. Confidential.

" Re: DEPUTATION AFRICAN NATIONAL CONGRESS."

"I beg to acknowledge, with thanks, receipt of your letter on the above subject."

"We regret that circumstances make it impossible for the Right Honourable the Prime Minister to see us personally, as we were greatly inspired by some of the statesmanlike utterances that he had made recently on Native Affairs, and, we were only anxious to give plan of operation that should be satisfactory to all concerned."

"However, in the circumstances, we appreciate the arrangement made that he has seen fit to ask Colonel Reitz, Deputy Prime Minister, to meet the deputation on behalf of the Government."

"I am enclosing herewith an outline of subjects for representation, as requested."

It is hoped it would be possible for us to have a public meeting in Cape Town where the deputation could have an opportunity of educating the white public in general of their attitude.

I hope to arrive in Cape Town on Monday afternoon and am

CAPE TOWN.

Dear Rev. Tladi,

This is to inform you that I have received communication from the Government expressing willingness to receive a deputation from the African National Congress.

For the sake of economy, I am making use, as members, of the deputation, of some of those members of the Executive who are also members of the N.R.C. or the Advisory Boards and who were nominated by such bodies to form a deputation to go to Cape Town. These members are Messrs. Sililo, R.H. Godlo, T.M. Mapikela and Qamata, Z.K. Matthews and R.G. Baloyi.

I put in these names when I wrote requesting the Government to receive the deputation, as I knew we did not have to be responsible for their expenses. This has worked and the Government will send them some rail warrants.

I hope to arrive in Cape Town on Monday afternoon via Kimberley.

I am not sure about accommodation at Stakesby Lewis Hostel (Coloured section). I have put in an application. Anyway, I hope you would enquire.

I would like, if possible, to have a public meeting both at Cape Town and at Langa, and, possibly a meeting of leaders of all shades of opinion wherever it is convenient.

We would like to educate both our people as well as the Europeans about the case of the African people.

Yours sincerely,

Dear Dr Kama,

I think you have already received a letter from me in which I indicated that I might be in a position to go to Cape Town with your Deputation. I think I pointed out that the expense from here to Cape Town was so high that one should not undertake it lightly. The return rail fare will be £7.9.9. to say nothing of the incidental expenses. We'll have spent £10 before we are done with it. Is this expense justified? Who are we going to do down there? Is it anybody important who can take decisions about things? Can't this deputation be arranged to take place in Pretoria at the end of the session when the expense will not be so heavy. Please let me know by wire whether I should prepare to go down.

If the M.R.C. are going at Govt. expense
why ~~not~~ use them i.e. apart from yourself
As I have said before this is a very awkward
time for me to be away from College,
and if you can do without me or if
the chances of the deputation getting anything
done are not too bright, do not hesitate
to drop me out or postpone the interview.
I shall be entirely in your hands but
I think we should weigh these things
carefully before embarking upon it.

I like to hear from you by telegram
before Friday.

With kind regards

Yours sincerely

Dear Dr. Xuma,

Mr. Mapikela has written stating that he will leave Bloemfontein on Monday morning the 2nd prox. for Cape Town. I fear that train will land him on Tuesday afternoon. I am writing him to-day but it would be very advisable if you would get in touch with him if you have not done so.

I am leaving Durban on Friday evening and expect to be in Bloemfontein next evening, pass on to Kimberley, De Aar and arrive in Cape Town on Sunday evening at 7.0 p.m. This will give me a clear day on Monday and please let us all plan to be there so as to meet on Monday and Tuesday.

I am arranging to put up at Langa and shall let the Isibonda know so that you could know where to find me. However I would appreciate very much if it would be possible to travel together from Bloemfontein on Saturday night.

We are keeping well and wish you and Mrs. Xuma the same.

MINUTES

MEETING OF THE BOARD OF MANAGEMENT OF THE CROGMAN COMMUNITY CLINIC.

PLACE: Lydia Wright Building, Wilberforce Institute.

TIME: 25th. February 1941 at 2:30 P.M.

PRESIDING OFFICER: Dr. J.R. Coan, General Superintendent, A.M.E. Church

THOSE PRESENT WERE: Dr. J.R. Coan, Dr. A.B. Xuma, Sister Grace E. Wares, Nurse Esther Nkomo, Mr. F.S. McMasters, Professor J.M. Nhlapo, Rev.T.A. Mareka, P.N. Tilo, and B.M. Sechaba, the Acting Secretary.

DEVOTIONS: Led by the Chairman

THE SECRETARY: The Chairman explained the absence of the Secretary, the Rev. S.J. Mayekiso. The said gentleman had been asked by the General Superintendent to cease his activities as a member of the Clinic Board until he gets in right relation with the ministry of the A.M.E. Church. The Rev. B.M. Sechaba was requested to serve as Secretary for the meeting and take the minutes for the day.

The Chairman announced the transfer of the Rev. S.L. Lesabe to the Zambezi Conference, and stated that he would be unable to serve the Board due to this transfer. The Board elected the Rev. J.M. Mokone to succeed the Rev. Lesabe. The Board also agreed to ask the Rev. J.M. Mokone to serve as Secretary. In the event that the Rev. Mokone finds it not convenient to serve, Mr. J.M. Nhlapo, Principal of Wilberforce Institute, was asked and consented to serve if it is necessary.

CONFERENCE REPRESENTATIVES: The Chairman explained that other Annual Conferences of the A.M.E. Church desired representation on the Clinic Board, but they lived too far away to attend regularly the meetings. The Board suggested that these Representatives be made members of the General Committee, which in all probability will meet only once a year. The Constitution which is in preparation provides for such a general committee

IMPROVEMENT OF BUILDING GROUNDS:

The Board considered favourably making the following improvements of the Clinic building and ground: 1. Pavement, 2. French Drain, 3. Window Sills 4. Screws for doors, 5. Buglar Proof Windows, 6. Painting of woodwork and cleaning the walls inside and outside, 7. Imprc. ang fence and gates.

The prosecution of this work was left to a subCommittee, composed of the following who study the situation and determine the above mentioned to what extont the funds will allow the above improvements. Dr. Xuma, Mr. McMasters, Professor Nhlapo, Sister Wares and the Chairman, power to act was given the sub-committee.

FINANCES: The income of the Clinic from 1st September to 31st. December 1940 including the balance brought forward was £566-3-11. The expenditure amounted to £342-5-5. Balance at December 31st 1940 was £219-13-10.

The Bank statement up to January 13th. 1941 showed a balance of £146-0-0. Cash banked since the January statement was issued £7-16-5. Conference grants not banked at the time when the January statement was issued amount to £250. This gave a total in bank at the time of the meeting of £403-16

The Chairman explained that the following grants had been received from the A.M.E. Church, through the Annual Conferences and the W.H. & F.M. Society:

- 1. W.H. & F.M. Society Cape Conference Branch.....£10; (Included in Bank st tement, January).
- 2. Zambezi-Transvaal Annual Conferences and W.H. & F.M. Convention.....£150; (
- 3. Natal-Orangia Annual Conferences and W.H. & F.M. Conventions.....£100; (

Total from the A.M. E. Church.....£260; (

The next financial statement of the Clinic will be issued as from 31st March 1941 and each quarter thereafter. The Joint Treasurers are Mr. F.S. McMasters, Dr. A.B. Xuma, and Dr. J.R. Coan.

NEW NURSE: Applications of the three most qualified nurses were read and CONSIDERED. The Board was unable to decide finally which of the three would be employed as it appeared that the applicants were not immediately accessible. Further communications are to be had with them. The one with the best qualifications, that is, the best training in general nursing as well as midwifery is to be the one chosen. The Board left this to the judgements of the physician and the nursing Superintendent.

DOCTOR'S VISITS: The Board decided that the Clinic should have the visits of the Doctor twice per week, as it was originally, before the financial embarrassment of 1940 caused the visits to be reduced to once a week.

HEAD NURSE' SALARY: The Board decided uniminoously to increase the salary of the Head nurse by 20/- per month be made as from January 1941.

EXPENSES OF CARETAKER AND WATCHMAN: The Board decided to increase to the wages of the caretaker to £2:0:0 per month, also that the allowance of 10/- per month be made for the Boarding of the night watchman.

NURSES UNIFORMS: The Board decided to provide a set of six (6) partially complete uniforms for each of the three nurses. The parts of the uniforms to be had for each nurse will depend upon the strength of the funds.

SECURING FUNDS: In order to meet the growing financial needs of the Clinic, Dr. A.B. Xuma was asked to draft a letter to the Provincial Administrator appealing for a grant. Dr. Coan was requested to contact the Public Health Department, and all the sources of grants for the Clinic for 1940.

LETTER FROM MR. VIL NKOMO: The Chairman read a letter from Mr. Vil Nkomo, Husband of Nurse Nkomo of the Clinic Staff. The letter was a stern denunciation and definite threat. The writer was infuriated over the failure of the Board in its November 1940 meeting to consider favourably the application of nurse Nkomo for an increase in salary. The Board deemed it not wise to make any promises at that time due to uncertainty of what amounts would be received by way of grant from the A.M.E. Church. Mr. Nkomo's letter ignored the Clinic's difficulties at the time, and was an unsympathetic condemnation and threat. The several Board members strongly expressed their disapproval of the tone of the letter and agreed that no increment in the salary of Nurse Nkomo would be made until the writer withdraws the tone of his letter.

CONSTITUTION: The Constitution for the Clinic was read and was referred again to the Committee without being passed.

BYCYCLE FOR CLINIC: Motion made by the Secretary that a bicycle for the Clinic be purchased was tabled until the next meeting.

CLOSING: The proceedings of the Board was closed with a prayer offered by the acting Secretary.

B.M. Sechaba, Acting Secretary.

JOHANNESBURG.

Dear Colonel Horak,

re: CIVIC GUARDS ACTIVITIES:

In pursuance of the interview you were kind enough to permit me to have with you from 4 P.M. on the 23rd instant, you will remember that I urged that the following suggestions be put into operation in view of the general trouble the Africans have had with some of the Civic Guards and also the apparently reckless use of fire-arms, with tragic results, on Africans by members of the Civic Guards without provocation.

- (1) Suspension of the operation of the Civic Guards in the Western areas (i.e. including Brixton and Westdene.)
- (2) Public enquiry into the activities of the Civic Guards and their relation with the African.
- (3) Supplying of all Civic Guards with identification numbers immediately.
- (4) Prohibiting Civic Guards from conducting Liquor raids and Pass raids.
- (5) Prohibiting Civic Guards administering Pass regulations except under justifiable circumstances.
- (6) Bringing Civic Guards into direct control of Police Headquarters instead of the present dual control. This would facilitate more direct supervision and guidance of these untrained "Special Constables".

It would seem to me that with the lack of training, the Civic Guards should be an officer for Public Peace and not an officer of the Law like the Policeman.

I should like to have a confirmation of the replies you made orally during the interview and those you wish to make now on the above-mentioned points, before I leave for Cape Town, on Saturday, where I am booked for certain interviews with the Government, so
