BANTU MEN'S SOCIAL CENTRE.

Spent + Recreation

1st April, 1941.

To all African Members.

You know that the Executive Committee has been considering extensions, alterations and improvements at the Centre, to utilise part of the Lighthome Bequest of £7,000. Plans have been drawn calling for an expenditure of approximately £5,500.

In view, however, of falling revenue and decreasing membership, European members of the Executive Committee raise the question whether it is wise to proceed with the improvements at the Centre at the present time. The Lighthome Bequest fund may be required inside the next few years to provide current expenses.

A special meeting of all African members who are interested will be held at the Centre on TUESDAY EVENING, 8TH APRIL AT 8:00 O'Clock to discuss these important questions:

- (1) Are improvements urgently necessary to-day
- (2) If so, what can be done to raise the membership and thus increase the income of the Centre
- (3) Will members pledge themselves to materially increase the membership before the end of the year?

The plans will be studied and an honest attempt made to reach a wise decision. The Executive Committee will meet on THURSDAY, 10TH APRIL and will welcome a definite expression of opinion from a representative meeting of members.

Please let us see you on Tuesday evening.

Yours faithfully,

Ray Phillips

Dr. A. B. Xuma,
President-General,
African National Congress,
Sophiatown.

Dear Sir,

I am writing to inform you of a trouble in which I am, hoping that I shall receive assistance and advice from you in the matter.

First of all let me say how shocked I was to hear of the assault upon your person at Vereeniging. I was gratified to hear that the unmannered constable was dealt with - even though I don't consider the fine imposed fitting for such an offence: it was much too slight. We did write to the Press expressing our horror at the incident, but the Press did not seem keen to publish our views. It is always the case and the result is that our foremost opinion is never heard because our African organs think some things "radical" - as if Leftism is a State crime and not in accordance with the true spirit of academic liberalism.

Nevertheless, you now know of our disturbed feelings about the matter. Let me pass now to my

trouble. I shall merely give you the outline of it to be turning it over before I come, - I propose to come on Saturday afternoon (April 5). To be short,

- (a) I am not teaching at the present moment as from April 1st, 1941.
- (b) The reason is that I was in a post which was then regarded as Teacher in a "Junior Secondary School" - so they term it - last year and was not yet officially recognised as Head-teacher of it.
- (c) When we reopened this year (1941), the School had its own Building and was now placed in the Department's Register as the Bothabêlô High School and as such I should have been made Principal ~~at the time~~ as pledged in 1940.
- (d) To my surprise, when we reopened, I was asked to act as Principal for the one quarter and was not installed as Principal as promised.
- (e) Advertisements appeared in the press (Bantu only) inviting applications for the post of Principal in the School to begin duties at the beginning of the second quarter.
- (f) At first I refused to apply for the post on the grounds that it would seem like re-applying for a post in which ~~you~~ I already was, but the opinion was expressed that others might be installed on the argument that if I don't apply, then I don't want the post. So in the end I did apply.

- (g) A European has been appointed as Principal and he assumed duties on April 1st, 1941.
- (h) as from April 1st, 1941 I did not return to school - not intending to serve here during the new term if I have to serve under a European. I had no other post at the moment, and so I merely stayed at home.
- (i) Before I had written to inform the Superintendent of the school that I had not returned for the new quarter, he sent me a notice to terminate my services at the Bothsabelo Secondary School in June. To this I gave no reply because I considered it irrelevant since I had not served in his employ during the current quarter. I had vacated my post and was liable to no notices or questions by people I no longer knew as my employers.
- (j) On Wednesday, April 2, 1941 the same Superintendent of the School wrote to me informing me that he had suspended me for a "serious breach of discipline" and was informing the Department so that it may reinstate or dismiss me. To this I again gave no reply, as I did not know myself as employed by him.

That is then the story, Doctor, so far as it goes. I am coming to get the 'fullest' advice you can give. I wonder if bodies like the Congress - or even our African Study Circle - cannot help me in the matter

what I would like to see done would be representations to the Minister of Education - or any other authority responsible - on the question of my "suspension" as a teacher in the service of the Department - suspended by a Superintendent who is no longer my employer.

I am of opinion that this method of approach would bring substantial results. For, the upshot of it would be an Inquiry placed upon this Institution and I am ready to give the proved evidence I have to get this Institution closed ^{on} and its authorities marshalled up.

All this terrorism is practiced on me since last week when it was learnt that I had passed my M.A. Examination in History. My presence is evidently not desired here - with my standard of attainment.

With best wishes and hoping I shall be able to meet you at your Residence on Saturday.

I remain,

Yours sincerely,

R. G. Sipo Makalima.

Sir,

In fairness to the stability of your Company and the huge ~~and the~~ funds at your command, and also the apparently exhaustless market at our command composed of Non-Europeans of wealthy-fair-& insecure standing, we beg to place before you the following proposition.

Today, the majority of Non-Europeans principally ~~x~~ along the Witwatersrand and South Africa in general regard Landed property as the best & safest investment of ALL TIME. We regret to say that it has taken them well over 30 years to realise this fact. We, being as intimate as we are with the Non-European land & immovable property market, have learnt ~~fr~~ from experience that given a powerful ^{financial} background for our Mortgage Bond & Loan demands, we could go a long way in enhancing the general home life of Non-Europeans in S. Africa as well as the coffers of the said financiers.

The economic scheme of this country being such as it is, Non-Europeans are unable to exploit their economic and other useful traits legitimately because of Lack of Funds. The resultant factors of this ~~university~~ curbing of a universal urge at self-expression are:-

1. Strong political, religious, passive, and anti-white leanings;
2. Extemporary crime and illicit trafficking;
3. A readiness to invent occupations and accept bribes to heartlessly exploit one another;
4. And the downright refusal to recognise the God that in man dwells, - that man has far more virtues than those vices which ultimately make of him a thing of £.S.D. value only.

Dear Dr. Xuma,

Factories Bill.

I thank you for your letter of the 20th March and for the copy of the telegram to the Prime Minister.

Your wire and other representations caused General Smuts to send for us and both he and Mr. Hofmeyr did their best to reconcile the conflicting view points. The bill, as modified, represents their efforts, but we could not accept the modifications as meeting our difficulties. We opposed the granting of any powers of discrimination on the grounds of race or colour. The Minister has, however, offered to consult us on the regulations and we shall hope to ensure that the powers are not misused.

I hope to send you a copy of the Hansard of the Senate debate and also to see that you get a Hansard regularly.

With kind regards to Mrs. Xuma & yourself
Yours sincerely,

MINUTES OF A MEETING OF THE EXECUTIVE COMMITTEE OF THE
BANTU MEN'S SOCIAL CENTRE, HELD IN THE COMMITTEE ROOM,
ON THURSDAY, 10TH APRIL 1941, AT 5 P.M.

PRESENT: Dr. Ray E. Phillips (Chair) Mr J.M. Pim (Hon Treasurer); Messrs A. Bovet; H. Britten; L.M. Povall; Dr Dexter Taylor; D. Denalane; L.C. Koza; S.P. Mqubuli; A.K. Nobanda; C.N. Setlogelo; S.G. Senaoane; G.B. Xorile; Dr. Xuma; The Acting Secretary; The Office Assistant; and the Physical Director.

APOLOGIES: Apologies for absence, were received from Senator The Hon. J.D. Rheinallt Jones.

MINUTES: The Minutes of the previous meeting having been circulated, were taken as read, and confirmed.

MINUTES OF ANNUAL GENERAL MEETINGS:

The Minutes of the Annual General Meetings, of (a) Europeans, and (b) Africans, were read, and were accepted as true records, to be adopted in the forthcoming Annual General Meetings.

WELCOME TO MR DENALANE AND DR. XUMA:

At this stage, the Chairman Dr Phillips, extended on behalf of the Executive Committee, a Welcome to Mr Denalane, and Dr. Xuma, on their return into the Executive Committee.

ELECTION OF OFFICIALS:

Mr Pim, seconded by Mr A.K. Nobanda, moved that the Officials of the Committee, continue in office for the coming year. The motion was unanimously passed.

EXTENSIONS AND IMPROVEMENTS:

The Chairman Dr. Phillips, explained that in view of the contemplated expenditure of about £ 5,000 to cover the improvements to the building, he had summoned a Special General Meeting of African Members, on Tuesday Night 8th April, for the purpose of recommending to the Executive possible means of covering the deficit accumulated to date, and increasing the membership of the Centre, which had dropped to about 241, (Active). However as a result of only two members turning up, the meeting was not held. The European members, he said, had met Mr Ballenden with the view of soliciting help in undertaking the scheme, and also to ascertain the Security of Tenure enjoyed by the Centre. Mr Ballenden assured the members, that the Tenure was quite secure, as the Municipality had no intentions of using the site, and suggested as a means of increasing the Revenue:-

(1) Increase in membership.

(2) Increase of Revenue of Hall.

Under (1), he felt it was time membership was extended to women, who at present had no social amenities provided them. This he thought, would result in an increase in membership, and would create no difficulty, as retiring rooms, which hither-to seemed to be the problem, would be provided under the scheme. In fact the present increase in social facilities, he said, justified a step in this direction. Under (2), he felt that a regular staging of first class social functions, would enlist the attendance of many Europeans, and result in an increase of revenue from the Hall.

Dr. Phillips further intimated that the improvements would attract a larger membership. He further stated that the Railway authorities were planning the erection of a rail-road not far from the Centre, which would further facilitate transport for members.

However, in view of the fact that Tenders had to be decided upon by the end of April, and whereas it is not known whether building material will be any cheaper after the end of the war, the Executive should decide what action to adopt.

Mr Britten, stated that certain improvements appeared to be essential. Insufficient Sanitary facilities, and the poor state of repair of the hall-floor, did not attract the public. The deficit was high, and the membership low. It was for the African members to decide, whether membership could be increased by enrolling more male-members, or whether at this stage, the membership should be opened to women. The present decrease in membership, might be a result of the lawlessness said to be prevalent amongst members, and the present expenditure of £750 on the Staff, as compared with the £147 membership fees, would require re-adjustment. To him, it appeared that the alteration of one part of the building, was dependent upon the other.

Mr Bovet pointed out that the expenditure of £5,000 on a membership of about 240, was hardly justifiable, and that the membership must be increased.

Mr Pim thought that there must be some lack of interest as indicated by the fact that only two people attended the Special General Meeting, as well as the decline in the numbers at lunch from 31 per day to 28.

Dr. Taylor, said it would be advisable to get a quotation on the difference in cost in undertaking the alteration of non-essential improvements.

Mr A.K. Nobanda and Setlogelo, both expressed the same view to the effect that it was not yet time to undertake the alterations, which they thought should be postponed indefinitely. The fact that there is a decrease in membership, was due to many members being out of work.

Mr Xorile felt that only the essential alterations should be undertaken. He said that women should not be admitted into the membership of the club, as this would only give rise to lawlessness amongst members. It was wrong to say that women were not catered for, as the Bantu Sports Club was open to women. The membership was definitely high for members, and should be decreased to 7/6 as an experiment.

Mr Senoane, said the improvements, if undertaken, would be a very good thing. The transfer of Africans, from the Towns, to the Locations, is mainly responsible for the decrease in membership. The Secretaries should worry people for their membership, as members want to be reminded continually. The suggestion of introducing women members, was a good one, and as other races were giving their women-folk every consideration in this line, there was no reason why the African should not follow suit. This act, he said, would also be instrumental in introducing new male-members.

Mr Denalane, said he has always been a Champion of the suggestion of women membership. The present position however, did not warrant improvements, and could only be undertaken when an increase of membership is assured.

Dr. Xuma felt that a large expenditure at this juncture, would be a risk, and that only the essential requirements should be undertaken. The present Sanitary conditions, were inadequate, and should be improved. The Bantu Sports Club, had women members, and present conditions there seemed quite satisfactory. However to admit women here, would eventually necessitate a Lady Secretary, thus increasing the expenditure on administration.

At this stage, Mr Denalane, seconded by Mr Xorile, moved that the complete scheme be deferred.

Mr Britten, seconded by Mr Nobanda, moved that a Subcommittee be appointed to meet and discuss with Mr Porter, the cost of essential improvements, and that a special/.....

and that a special meeting be called if found necessary.
The following were chosen to the Sub-committee:-
Dr. Ray E. Phillips; Messrs H. Britten; J.M. Pim; and
Dr. A.B. Xuma.

COLOUREDS AND INDIANS:

It was agreed, that the question of Coloureds and Indians, be left for discussion in the next monthly meeting.

CORRESPONDENCE: (HOUSE COMMITTEE REPORT) Mr G.B. Xorile reported on behalf of the House Committee. (1) An application signed by Miss A.J. Weir, on behalf of the Association for the Prevention of Delinquency among Non-European Girls, for the use of the hall on 1st August, for a Concert and Dance, was granted at the usual rental of £3.3. (2) Mr Vil-Nkomo, applied for the use of the hall on the 4th, 18th, or 25th, April, for a reception sponsored through the Entertainment department of the Transvaal African Congress. The application was refused, and it was agreed that Mr Nkomo be asked to state the nature of the reception, and to supply the Committee with more information as to his organisation. (3) Two applications signed by Mr Dan Oliphant on behalf of the African Welfare Syndicate, were held over, pending information regarding their total membership, and a copy of their Constitution. (4) The application by the Witzieshoek Vigilance Association, for the use of a room, for an Executive meeting, on Sunday 13th April at 10A.M. was granted. (5) The Transvaal Native Rugby Union, applied for the use of a room on Sunday 13th April for the purpose of holding a meeting. The application was granted. (6) The African Bakers Industrial Union, applied for the use of the hall on 26th April for a meeting. Agreed. (7) The applications from (a) The Furniture, Mattress, and Bedding Union, (b) South African Chemical Workers Union, for the use of the hall on 27th, and 19th April respectively, were also granted. It was suggested that whenever such a meeting was held, the Secretary should go in to welcome the members, and suggest that leaders become members of the Social Centre. AGREED. (8) A letter was read, signed by Colonel Nicholson of the 4th Battalion of the Native Military Corps, in which he made a request for some help in obtaining a set of Baclavia caps. It was agreed to refer the letter over to Mrs Phillips' organisation, dealing with comforts for Soldiers, and to offer the use of the hall, free of charge, any day in May. (9) The letter from the Nursing Superintendent of the Alexandra Health Centre, was left over, pending the receipt of its supporting application from Nurse Mankazana. (10) A letter was received from the Johannesburg Board Of Charities, requesting the submitting of dates of Social Functions, to avoid the overlapping of same with those of other Charitable Institution. It was agreed that the Secretary write acknowledging receipt of same, stating that the letter was receiving attention.

BY-LAWS: As a result of a suggestion by Dr Phillips, that applicants for the use of the hall be told that the Executive reserves the right of admission to the members of the public, it was suggested that Mr Britten draw up a set of By-laws as provided by the Constitution, covering same.

SUB-COMMITTEES: It was agreed that the Sub-committees be left as in the previous year. Mr Nobanda stated that although all the African members were expected to attend the House Committee meetings, including two European members, those African members chosen by the European members, made no effort in this direction. Mr Britten suggested that in view of the importance of this meeting, all the members should make an attempt to attend, and any of the European members who could find time to attend, should do so. AGREED.

GENERAL: The Chairman Dr. Phillips/.....

GENERAL:

The Chairman Dr. Phillips reported on the work done by the Students of the Jan.H. Hofmeyr School, with regard to the Plane modelling; in which he said, the boys showed an enormous amount of interest. In addition to this, he said the boys were going out twice a week to give boxing exhibition bouts at the Military Training camps.

MR. COLLISON:

Mr Setlogelo said that he had drawn the attention of the Chairman after the last meeting, to one Mr Collison, who had been admitted at that meeting to the membership of the Centre. Mr Collison, he said, had on one occasion when a show was held at the Social Centre, attacked him with a knife. In his opinion, Mr Collison should not be admitted into the membership of the Centre. The Chairman was asked to meet Mr Collison, and to explain the position to him. In the case of his so desiring, he would be given a hearing by the Disciplinary Committee.

NEW MEMBERS:

The following were approved of for membership at the Social Centre. Messrs S. Makuza; A. Mlangeni; D. Molete; M. Monnakhgotla; S. Muse; A. Nchupetsang; J. Sekanane; J. Tsatetoi; P. Vilakazi. Mr Britten suggested that New members should not be solicited for by the Secretaries, but should always be referred to a member of the Executive, or any other ordinary member of the Institution. NOTED.

LUNCH:

It was felt that the Kitchen should vary its Menu, as the present Menu tends to become monotonous. It was agreed that Mrs Phillips and Miss Smith of the Native Affairs Department be asked to meet with the cook, to discuss variations in the Menu. There being no further business, the meeting terminated at 6.55 P.M.
