THE UNION FESTIVAL

The Peri-Urban Areas Health Board's decision, mentioned in the February issue of the Bulletin, to arrange a programme for Alexandra residents in connection with the Union Festival, has turned out to be opportune.

Starting with the schools, in collaboration with the Alexandra Board of Bantu School Principals and the District Inspectorate, the Board donated £93 worth of equipment for the Schools Sports Competitions, the finals of which were held at the Sports Stadium, No. 2 Square, Alexandra, on Wednesday, 16th March, 1960. All fourteen Bantu Community Schools took part in the 35 events for 104 prizes, consisting of silver-plated trophies all engraved "Uniefees, Alexandra 1960".

The number of competitors totalled 420.

Besides the 165 teachers and 15 officials in attendance, the competitions were witnessed by over 8,000 spectators.

The finals of the Music competitions took place at the Holy Cross School, Alexandra on Tuesday, 22nd March, 1960. Here again the local community schools all took part, as well as the Holy Cross Higher and Lower Primary Schools and the Witkoppen Farm School for the 16 trophies donated by the Board.

At a grand function held at the Sports Stadium on Wednesday, 23rd March, 1960, prizes were presented by the Chairman of the Board, Mr. P. A. Stoffberg, M.P.C. and by Mr. Oelschig on behalf of the Chief Bantu Affairs Commissioner, Mr. Smuts.

Floating Trophies, Shields:

Sports trophies were presented by Mr. A. S. Bosman, Inspector of Bantu Education, Johannesburg East and Music trophies and Bronze diplomas by Mr. K. B. Hartshorne, Inspector of Bantu Education, Rand Central Circuit. Also on the platform were the District Commandant, S.A. Police, Bramley, the Bantu Affairs Commissioner, Alexandra, Mr. A. H. J. Els, who in the course of his opening remarks mentioned that sweets and cold drinks would be handed out at all local schools on Thursday, 7th April, 1960. Altogether 30,000 children would be provided for, so as to include those not yet of school-going age and those at creches and kindergartens.

Also present were Mr. C. H. Kotzé, Manager of the Board's Bantu Administration Department, Mr. J. H. Swart, Administrative Assistant for Alexandra, Mr. P. J. Badenhorst of P.U.T.C.O., the Chief Inspector, Mr. du Toit, members of the Board's Bantu Administration Inspectorate, members of the S.A. Police, Wynberg and Mna. W. M. Katane, who moved a vote of thanks to the Board, P.U.T.C.O., teachers, children and residents on behalf of the Chairman, Alexandra School Board. Many residents, including clergymen, were among the big audience. The opening prayer was delivered by Rev. Tekane of the A.M.E. Church.

In his address the Chairman of the Board, Mr. Stoffberg, mentioned the improvements effected in Alexandra since the Board took over, and indicated that more improvements were still to come. He expressed disappointment however, in regard to the unsightly appearance of the streets which were littered with refuse. To combat this undesirable and unhealthy state of affairs, he would approach his Board to offer prizes in the form of oxen to be slaughtered for the residents whose street or avenue was, in the opinion of Mr. Kotzé, the Board's Welfare Officer, the cleanest in the Township. For the best kept avenue, the prize would be one ox and for the best kept street, two oxen. The period of time during which observations would be made by Mr. Kotzé would depend on the circumstances.

The presentation of trophies function was the highlight of a busy and interesting month of hard work by the Alexandra Union Festival Committee, officials, teachers and children and the Bulletin congratulates all concerned.

BANTU ADULT PARTICIPATION

Copies of the relevant entry form are obtainable at all Alexandra Bantu and private schools and at Entokozweni, No. 3 Square, Alexandra.

The culmination of the Bantu Adult programme will be marked by a public function at the Stadium, No. 2 Square, Alexandra, when five oxen will be slaughtered, for a "vleisbraai" in accordance with customary Bantu ceremony.

The Festival Committee has decided to sell the five ox skins and to allocate the proceeds to such schools as may be decided upon for schoolfunds.

Altogether, the Board is spending about £2,000 (two thousand pounds) for the festival celebrations to provide equipment, trophies, refreshments, meat, sweets and transport for school children to the various district competitions in Johannesburg and Orlando.

A programme has also been drawn up for the local Coloured community.

DIE UNIEFEES.

Die Raad se besluit soos gemeld in die Februarie uitgawe van die Bulletin, naamlik om 'n Uniefeesprogram te reël vir die inwoners van Alexandra, het uiters tydig geblyk te wees.

Om met die skole te begin, het die Alexandrase Raad van Bantoeskool Prinsipale in samewerking met die Distriksinspektoraat 'n skoolsport gereël, terwyl die Raad £93 se waarde aan 104 pryse vir die doel geskenk het. Die pryse het bestaan uit trofees en ander geskenke. Die trofees was voorsien van silwerbeslag met die woorde „Uniefees Alexandra 1960" daarop uitgegraveer.

Die finale byeenkoms was gereël vir 16 Maart 1960 en die 14 Bantoe-gemeenskapskole het almal aan die verskillende kompetisies deelgeneem. Vierhonderd-en-twintig mededingers het aan die byeenkoms deelgeneem. Behalwe die 165 onderwysers en 15 baanbeamptes het 8,000 toeskouers die verrigtinge bygewoon.

In die finale musiekkompetisies wat op Dinsdag, 22 Maart 1960 plaasgevind het, het al die Gemeenskapskole, die Hoër en Laer Holy Cross Skool sowel as die Witkoppen Plaasskool, deelgeneem. Die verrigtinge het op die terrein van die Holy Cross Skool plaasgevind, en vir hierdie afdeling het die Raad 16 trofees as pryse beskikbaar gestel.

Pryse is deur die Voorsitter van die Raad, mnr. P. A. Stoffberg, L.P.R. en mnr. Oelschig wat die Hoofbantoesake-kommissaris, mnr. Smuts, verteenwoordig het, by die Sport Stadion te Alexandra op 23 Maart oorhandig. Mnr. A. S. Bosman, Inspekteur van Bantoe-Onderwys van Johannesburg-Oos, het die sport trofees oorhandig, terwyl mnr. K. B. Hartshorne, Inspekteur van Bantoe-Onderwys van Sentraal-Rand, die musiektrofees oorhandig het. Op die verhoog was ook teenwoordig die Offisier in Bevel S.A. Polisie, Bramley-distrik, die Bantoesakekommissaris van Alexandra, mnr. A. H. J. Els, mnr. C. H. Kotzé, Bestuurder van die Afdeling Bantoe-administrasie van die Raad, mnr. J. H. Swart, Administratiewe Assistent, Alexandra, mnr. P. J. Badenhorst van P.U.T.C.O. en Inspekteur P. J. du Toit van die Veiligheidsafdeling te Alexandra.

Eerwaarde Tekane van die A.M.E. Kerk het die verrigtinge met 'n gebed geopen, terwyl geestelike leiers van alle kerke in die gehoor teenwoordig was.

Mnr. Els het gedurende sy openingstoespraak melding gemaak dat daar op 7 April, lekkers en koeldranke aan 30,000 kinders van alle ouderdomme uitgedeel sal word.

Mnr. Stoffberg, L.P.R. het in sy toespraak onder andere die verbeteringe genoem wat die Raad reeds aangebring het sedert die oorname van Alexandra, en het verder dit in die vooruitsig gestel dat nog meer verbeteringe en geriewe beoog word. Mnr. Stoffberg het ook sy spyt uitgespreek oor die swak toestande van die strate - vuillis lê coral versprei en dit is op sigself 'n groot gevaar vir die gesondheid van almal. Om hierdie euwel op te los het spreker belowe om by die Raad aan te beveel dat pryse aangebied word vir die skoonste laan en straat; die pryse sal wees, twee slagosse vir die skoonste straat en een slagos vir die skoonste laan. Mnr. G. D. Kotzé, Welsynsbeampte, sou in hierdie geval die beoordelaar wees.

Die oorhandiging van die trofees was die hoogtepunt van die dag en ook die afsluiting van 'n besige en interessante maand vir die Alexandra Uniefeeskomitee. Die Bulletin wil hiermee almal wat in alles gedeel het bedank en gelukwens.

DEELNAME VAN VOLWASSENES.

Inskrywingsvorms vir deelname aan die feestelikhede is verkrygbaar by alle Bantoeskole, Privaatskole ingesluit, sowel as by Entokozweni, Nr. 3 Plein, Alexandra.

Die hoogtepunt sal bereik word wanneer op Nr. 2 Plein, 5 osse geslag sal word en 'n braavleis aangebied sal word op egte Bantoe-instellings en tradisie.

Die Feeskomitee het besluit om die vyf osvelle te verkoop en die oprings na goeddunke te skenk aan daardie skole se skoolfondse.

Die Raad spandeer 'n totale bedrag van £2,000 ten einde al die nodige te bekom vir die feesvierings te Alexandra; dit sluit in die aankoop van trofees, verversings, vleis, lekkers en ook om die vervoer te reël vir die skoolkinders wat in ander distrikte moet deelneem aan kompetisies, soos Johannesburg en Orlando.

'n Program is ook opgestel vir die plaaslike kleurling-gemeenskap, om deel te kan hê in die Uniefeesviering van 1960.

The Chapter quoted above should be studied in conjunction with the sections of the Natives (Urban Areas) Consolidation Act 1945 (No. 25 of 1945) as amended, published in the May and June issues of the Bulletin.

The texts and extracts of the Acts and regulations hitherto reproduced in the Bulletin will, it is hoped, help residents, workseekers, employers of labour and others to understand what the law requires of them and to act accordingly.

UNION POPULATION CENSUS.

The Union Population Census is to be taken on and after the 6th September, 1960 throughout the country and Bantu and Coloured enumerators are now being appointed for Alexandra.

Residents are requested to co-operate to have the work done as efficiently and as expeditiously as possible so that all forms may be handed in before the 20th of that month.

Readers will remember that until 1951 the population census was taken every five years throughout the Union, South West Africa, Basutoland, Swaziland and Bechuanaland but from this year the census is to be taken every ten years.

The census is a very necessary part of the functions of good government all over the world and it is therefore the duty of every citizen to comply with the requirements of the law in this connection. Failure to do so is a punishable offence.

No. 16. OCT 18 1960

September 1960.

T. D. R. NEL.

Although Alexandra is mainly populated by Bantu, it has since its proclamation as a non-white residential area 48 years ago, always had a substantial group of progressive Coloureds who have shared in its development and growth, a factor which has contributed materially to the healthy relations existing between members of this community and the Bantu section of the population.

Of the Coloured residents of Alexandra few, if any, can equal the sterling services rendered by the late Mr. Douglas Thomas Richard Nel, during the thirty five years which ended with his tragic death in July 1958, to the people of the Township.

Following on his appointment as a teacher at the Alexandra Government Coloured School in 1923, Mr. Nel took a keen interest in the public affairs of the community as a result of which he was elected representative of the Coloured ratepayers on the Alexandra Health Committee in 1936, a position he held with distinction until that body was disestablished in 1958.

An unassuming personality of cheerful disposition, Mr. Nel enjoyed the respect and confidence of all sections of the community he served so selflessly and with singular devotion, for a generation and more, in various spheres.

During his lengthy term of office as a member of the Health Committee Mr. Nel served, inter alia, on the Board of the Alexandra Health Centre and University Clinic, was responsible in great measure for that indispensable amenity, the Milk Depot, which he officially opened on the 10th December, 1949, and took a leading part in the preliminary and final stages of the negotiations which led to the Bantu Welfare Trust donating the handsome Sports Stadium at No. 2 Square. He led and served on many deputations and bodies entrusted with weighty matters of public welfare and development and, with Mr. Dan. W. B. Gumede, was the first non-white to be appointed a Commissioner of Oaths for Alexandra.

Characteristic of his versatile endowments was the distinction he achieved in representing Transvaal, Rhodesia and the Eastern Province in Coloured Provincial Rugby in his younger days.

The Bulletin wishes to add its humble contribution to the many tributes paid to this outstanding member of our community who without fear or favour, unswerving loyalty and singleness of purpose did so much for his fellows for the greater part of his life.

A tombstone erected to his memory by members of his family was unveiled at the Newclare Cemetery on Sunday, 4th September, 1960.

RUSTY ROOFS.

One of the most unsightly features of Alexandra is the number of drab, dingy and rusty roofs which strike the viewer from all angles of approach to the Township.

Surely residents and particularly property owners have a sufficient sense of civic pride to appreciate that it is not enough to prevail on the local authority to provide adequate sanitation, roads, water and street lighting, to mention but a few of the many demands made by residents from time to time, without, in their turn, making some effort to improve the general appearance of the township.

It does not need much imagination to visualise the pleasant and inspiring effect a generous coat of paint on the roofs of the otherwise well built cottages of Alexandra would have not only on the beholder looking at the township from, say, Marlboro or Lombardy West but also on the residents themselves.

It is a fact that paint is expensive - the better the quality, the higher the price, but it is equally true that paint enhances the appearance as well as the value of your property.

KERSGROETE ONTVANG VAN DIE VOORSITTER VAN DIE RAAD.

As nuwe Voorsitter van die Gesondheidsraad vir Buitestedelike Gebiede het die eer my ook te beurt geval om Voorsitter van die Alexandrase Plaaslike Gebiedskomitee te word. Ek beskou hierdie posisie as besonder belangrik omdat dit my in staat stel om my deel by te dra tot die handhawing van goeie verhoudings tussen blank en nie-blank op die plaaslike bestuursvlak en daarom verwelkom ek hierdie geleentheid om my kersgroete en nuwejaarsboodskap aan Alexandra te bring.

Gedurende die kersgety dink 'n mens veral aan goeie dade wat jy vir ander en veral vir die minder gegoede persone in ons onderskeie bevolkingsgroepe doen of kan doen. Wat Alexandra betref, het die Raad 'n voedingskema vir teringlyers ingestel wat jaarliks 'n uitgawe van £16,000 meebring en voorts subsidieer die Raad die melkverspreidingskema tot 'n bedrag van £1250 per jaar terwyl die tandheelkundige kliniek geldelik ondersteun word en beurse en ander hulp vir die opvoeding van die jeug beskikbaar gestel word. Die Raad is nie alleen van voorneme om in die Nuwejaar met hierdie goeie werk voort te gaan nie, maar beoog ook die verskaffing van verdere welsynsdienste b.v. washuise ten bedrae van £10,000 en 'n gemeenskapsentrum vir £10,000. Soos gewoonlik het die Raad weer vanjaar vir die behoeftige ou mense van Alexandra 'n kersfeesfunksie gereël en die Raad sien uit na dag wanneer hy ook 'n kersfunksie vir die kinders van Alexandra kan reël.

Ek wil ook baie graag die bevolking van Alexandra gelukwens met hul kalme en verantwoordelike gedrag gedurende die noodtoestand wat bewys dat hulle besef dat geweldpleging vir niemand iets goeds inhou nie. Ek hoop van harte dat die bevolking van Alexandra sal voortgaan om die verantwoordelike sin te openbaar wat hulle gedrag gedurende hierdie moeilike tye gekenmerk het aangesien dit veel belowe vir hulle toekomstige geluk as gemeenskap.

Ek hoop dat die kersgety vir die bevolking van Alexandra een van rus, vrede en geluk sal wees en dat die Nuwejaar met hom nuwe geleenthede, voorspoed en 'n gesonde verstandhouding tussen die verskillende rassegroepe sal meebring.

CHRISTMAS GREETINGS RECEIVED FROM THE CHAIRMAN OF THE BOARD

As the new Chairman of the Peri-Urban Areas Health Board, the honour has also devolved upon me of becoming the Chairman of the Alexandra Local Area Committee. I regard this position as very important because it enables me to play my part in the furtherance of good relations between Europeans and non-Europeans on the local government plane. I therefore welcome this opportunity of delivering my Christmas greetings and New Year's message to the residents of Alexandra.

At Christmastime our thoughts turn to charity and the good deeds that we may and can do for others especially for the less privileged groups in our respective communities. As far as Alexandra is concerned, the Board has embarked upon a feeding scheme for tuberculotics which carries a yearly expenditure of £16,000 whilst the milk distribution scheme is subsidised in the amount of £1,250 annually. The dental clinic is also being subsidised and bursaries and other aid are made available for the education of the youth. It is not only the intention of the Board to continue with this good work during the coming year, but to extend the provision of social services amongst other things providing ablution facilities costing £10,000 and a community centre/

centre also costing £10,000. As before, the Board has this year again organized a Christmas function for the needy old aged and the Board is looking forward to the day when it will also be able to treat the children of Alexandra to a Christmas party.

I also very much want to congratulate the public of Alexandra on their calm and responsible behaviour during the state of emergency which proves that responsible people realize that nobody stands to gain by violence. I sincerely trust that the people of Alexandra will continue to display the sense of responsibility which characterized their behaviour during these troubled times as that augurs well for their future welfare as a community.

I trust that Christmas will be a time of peace and rest and happiness for the residents of Alexandra and that the New Year will bring with it new opportunities, prosperity and a sound understanding between the various racial groups.

CHRISTMAS MESSAGE FROM THE BANTU AFFAIRS COMMISSIONER
AT ALEXANDRA.

TO THE BANTU PEOPLE OF ALEXANDRA THE BANTU AFFAIRS
COMMISSIONER EXTENDS SEASONAL GREETINGS.

Since the last Christmas season there have been several unfortunate incidents elsewhere in South Africa, but it has been most gratifying that the people of Alexandra have shown a spirit of peaceful co-operation and good will towards the authorities.

At this time of god's will, which is the SPIRIT OF CHRISTMAS, the hope is expressed that such difficulties, as we may encounter in the future will likewise be approached by one and all in the spirit of mutual faith and trust and above all in the confidence that our HEAVENLY FATHER will help us to solve our manifold problems.

On this anniversary of the birth of Christ we may well feel as did the Angels on that great day itself, when according to St. Luke they cried out with one voice - "GLORY TO GOD IN THE HIGHEST AND ON EARTH PEACE, GOOD WILL TOWARD MEN."

KERSGROETE VAN DIE BESTUURDER. BANTOE-ADMINISTRASIE

Weer maak ek met graagte van die "Bulletin" gebruik om my kersgroete en nuwejaarswense aan Alexandra en sy bevolking oor te dra.

'n Jaar van woelinge is agter die rug - 'n jaar waarin veral die Bantoe in sommige ander gebiede tot geweldpleging oorgegaan het omdat daar sekere vermeende griewe bestaan het wat deur aanhitters uitgebuit is. Sommige gesinne verkeer moontlik in nood omdat hul broodwinners in hierdie gespanne tydperk hul lewens verloor het. Goddank, Alexandra het gedurende die noodtoestand kalm gebly en die verwyte wat in menige ander harte mag bestaan dat hierdie lewensverlies voorkom kon gewees het, behoort dus nie in Alexandra te bestaan nie. Geluk aan die bevolking van Alexandra met hierdie prestasie!

My Kersboodskap /

My Kersboodskap aan u is een van hoop. Waar daar vrede, en kalme heers en 'n goeie verstandhouding bestaan, is probleme nie onoplosbaar nie. Die persone wat haat en wantroue tussen die rassegroepe aanblaas kan nie ons probleme oplos nie, want haat en wantroue lei tot vernietiging. Ons is hier as bevolkingsgroepe - blank, kleuring, Bantoe en Asiaat - met 'n doel bymekaar gebring en sal in hierdie suidelike hoek van Afrika ons gesamentlike heil moet uitwerk en lit kan nie te midde van weltersydse haat en wantroue gedoen word nie. As daar griewe by een van die bevolkingsgroepe bestaan, is die aangewese weg om dit deur die erkende kanale aan te pak en te probeer opklaar. Laat ons mekaar onderling vertrou en probeer om mekaar te verstaan en veral om die blanke se goeie wil teenoor die gekleurde groepe te begryp en te aanvaar.

Wanneer mens so 'or die jaar terugdink dan is jy dankbaar dat jy in 'n posisie was waar jy vir die gekleurde bevolkingsgroepe iets kon doen en 'n mens waardeer ook die vriendskap en goeie gesindheid wat van die bevolking van Alexandra uitgegaan het.

Waar die Bantoe-Skakelkomitee as gevolg van 'n misverstand by die inwoners van Alexandra, ontbind het, hoop ek dat die onwaardigheid en verkeerdheid van die optrede wat hierdie goeie manne gedwing het om hul poste neer te lê, reeds tot die inwoners van Alexandra deurgedring het en vertrou ek dat die inwoners nou die Raad sal nader met die versoek dat die Skakelligsaam weer ingestel word.

Graag bedank ek die Blanke en die Bantoe amptenare van die Gesondheidsraad vir Buitestedelike Gebiede wat deur hul oordeelkundige en bedagsame optrede die onderlinge verhoudings tussen die bevolking van Alexandra en die Gesondheidsraad vir Buitestedelike Gebiede nie skade berokken het nie en wens ek hul ook langs hierdie weg 'n baie geseënde Kersfees en voorspoedige Nuwejaar toe.

Waar Kersfees eersdaags in elke gemeenskap gevier sal word en die Nuwejaar reeds om die hoek loer is dit my wens dat die bevolking van Alexandra 'n besonder geseënde en gelukkige Kersfeesgety sal beleef en dat die Nuwejaar buitengewone voorspoed en geluk vir die bevolking van Alexandra sal inhou.

CHRISTMAS GREETINGS FROM THE MANAGER, BANTU ADMINISTRATION.

I again gladly avail myself of the opportunity presented by the "Bulletin" of delivering my Christmas greetings and New Year's wishes to the public of Alexandra.

A year of turmoil has passed - a year in which especially the Bantu in some other areas resorted to violence because of the existence of alleged grievances which were exploited by troublemakers. Some families are probably now in need because their breadwinners lost their lives in this tense period. Thank God, Alexandra remained calm during the emergency and the self-reproach of others that this bloodshed could have been avoided, should therefore not be present in Alexandra. Congratulations to the public of Alexandra with this fact:

My Christmas message to you is one of hope. Where peace prevails and mutual understanding exists, problems are not insoluble. The persons who so hate and suspicion between the racial groups cannot solve our problems because hate and suspicion lead to destruction. We as different population groups - white, coloured, Bantu and Asiatic - have been brought together with a purpose to work out our common salvation in this southern corner of Africa and this cannot be done by agitators. If grievances exist with one of

The/.....

the population groups, then the correct course is to seek a solution through the recognized channels. Let us trust and try to understand each other and to accept the Europeans' goodwill toward the coloured groups.

When one thinks back on the past year, then one is grateful that one was in a position to be able to do something for the coloured groups and I value the friendship and good spirit that went out from the public of Alexandra.

Where the Bantu Liaison Committee was dissolved as a result of a misunderstanding on the part of the residents, I trust that the undignified and perverse attitude which caused these good men to resign has now come to be realised by the Alexandra public and that the public will now again approach the Board with a request that the Liaison Committee be re-appointed.

I would like to address a word of thanks to the Board's European and Bantu officials who, through their reasonable and considerate actions, contributed to the mutual good relations between the Alexandra public and the Peri-Urban Areas Health Board. I also want to wish them through this medium a very happy Christmas and a prosperous New Year.

Where Christmas will presently be celebrated by the community and the New Year is not far removed, it is my wish that the public of Alexandra will enjoy a specially blessed and happy Christmas and that the New Year shall contain great prosperity and happiness for the public of Alexandra.

The Bulletin, along with other well-wishers, extends its congratulations to Senator P.A. Stoffberg on his elevation to the Senate.

As Chairman of the Peri-Urban Areas Health Board and of the Alexandra Local Area Committee he was, in a large measure responsible for the existence of this newsletter which, in the absence of other means, he strongly felt was necessary for the reliable dissemination of information on matters concerning the Board's administration of Alexandra.

As Senator Stoffberg said at the time, inter alia - "Any community may fall prey to false rumours, maliciously designed or spontaneous. Such rumours, if not timeously quelled, may cause hardship and frustration."

Senator Stoffberg's view has been amply proved since then by the many attempts made by hostile elements to discredit the Board and to mislead residents. There is reason to believe that the Bulletin succeeded in quelling many of these false and malicious rumours.

May Senator Stoffberg's Parliamentary career be crowned with success and may he long be spared to play his part in the building of a happy and prosperous South Africa.

P U L A

Die Bulletin verneem met leedwese dat Senator Stoffberg ongesteld is en wens hom 'n spoedige en volkome herstel toe.

 Welcome to Mr. Muller the new Chairman of the Board.

EMPLOYMENT OF BANTU YOUTHS - NORTH JOHANNESBURG

The Board's Welfare Department in collaboration with the Local Labour Bureau, has formulated a scheme whereby unemployed Alexandra youths will be organised into teams to undertake domestic (house/garden) work in the Northern-Johannesburg area.

This scheme /

Writing with emphasis

This scheme was born out of the need of employers in the Northern Johannesburg area and the fact, since established by intensive investigations conducted by the Welfare Department that there is a large number of Bantu teenagers who are not engaged in any form of occupation in Alexandra.

An appeal is accordingly directed to employers, parents, teachers and other agencies to co-operate with the Department to make the scheme a success.

The programme of this scheme has been drawn up as follows:

- (1) A youth labour team will consist of as many members as are necessary to meet the requirements of employers provided such teams consist of not less than two members;
- (2) The minimum daily rate of pay will be 2/- (twenty cents) per member. Working hours will be from 9 a.m. to 1 p.m. over a five-day week and lunch will be provided for each member;
- (3) In order to ensure good order and attention to duties prescribed by the employer, each team will be visited once a day by an official of the Department;
- (4) Employers will have the opportunity, if they so desire, to take over one or more members of a team into permanent service;
- (5) Transport will be provided by the Department for the teams to and from work where employers are unable to do so;

This scheme, it is emphasised, is not one of administrative policy or regulation but is intended primarily to ameliorate an undesirable state of affairs. It is essentially a social welfare measure designed to break down misguided antagonism to urbanised Bantu youth on the part of employers and to find an outlet for the surplus energies of otherwise promising boys who would and often do in their frustration, gravitate towards organised crime.

Further information about the scheme may be obtained from the Employment Officer, Peri-Urban Areas Health Board Bantu Administration, Wynberg, Telephones 40-5278 and 40-5279 - during usual office hours.

 All work, even cotton-spinning is noble;
 Work alone is noble A life of ease
 is not for any man, nor for any god.

Caryle.

YOUTH CLUB'S CAMP HOLIDAY.

(Contributed by Miss N. GAMEDE of the Board's Alexandra Welfare Department.)

The Camp Holiday held at Umkomeas, Durban, in July, 1960, was organised by the Southern Association of Youth Clubs for all Transvaal Youth Clubs affiliated to the Association.

178 Club members consisting of boys and girls from various Youth Clubs attended the Camp. All Clubs were accompanied by their leaders. It is a pleasure to point out that the Alexandra Stadium Club under the leadership of Misses E. Mosito and N. Gamede had thirteen children attending this camp.

Sea-bathing, sightseeing in Durban, concerts, outdoor and indoor games were prominent activities. Club members highly appreciated the swimming costumes they were supplied with by the Association and they had a hectic time on the beach. They were taught how to swim by expert life savers.

This was a golden opportunity that had presented itself for children of various ages to learn to adjust themselves to the new conditions of life, and to get along with each other without friction. As a result, contrary to the leaders' expectations, no casualty was experienced at the Camp by virtue of the childrens' different home backgrounds, a thing which is a rarity amongst children born and reared in urban areas.

Thus this Camp Holiday proved a success and was fun for all.

THE BIG THIRST.

It takes big drinks to quench big thirsts and so the town's beer consumption figures are heading for the sky! Look at this:

<u>1959.</u>		<u>1960.</u>	
July	7,880 gallons	July	179,723 gallons
August	37,310 "	August	177,069 "
September	122,783 "	September	193,865 "

SPECIAL SOCCER KNOCKOUT FLOATING TROPHIES

Entries for the Board's Special Knockout Trophies competitions have been received from over seventy teams and it looks as if more will be received by the end of this month.

Fixtures have been drawn up for the first round which begins on 3rd December 1960. Participating clubs through the initiative of the Board's Sport's Organiser have formed a Fixtures Committee which will also be responsible for the proper control and management of the games. Twenty-six (26) matches will be played over the week ending 3rd. and 4th December between local and teams from the Reef and Pretoria.
