PEOPLE'S UNITY**

**WE NEED IT ALL
WE NEED IT HERE
WE NEED IT NOW!**

The emancipation of women is not an act of charity, the result of humanitarian or compassionate attitude. The liberation of women is a fundamental necessity of the revolution, the guarantee of its continuity and the precondition of its victory. The main objective of the revolution is to destroy the system of exploitation and build a new society which releases the potentiality of human beings, reconciling them with labour and with nature. This is the context within which the question of women's emancipation arises.
