you have answered, the only one
out of all the Crowd of my daughter
you want to know why I think
you would like to be here, and
stay at "Datcha" Well, I told Mama
already, because; first, there are
pine woods all round, and the
houses are in the midst of pine
woods. Second, because when
the sun is out people do not
bother to dress, not even grown
ups, they walk bare foot, and
just something over the top, so
that the sun strikes right into
the bones, and third, you haven't
to wash, and dress often, well
wasn't this enough for you.
Then again, the Water Mellons
at 3. & 4th Each as big as your
head & twice so, with Splendid
red juicy hearts. I have got
half on the table now if "
you only could see it ? ..."

It tastes lovely.

Then for instance you ought to see some of the children with red handkerchiefs round their necks marching in the streets with banners, & music.

Those are the pioneers, I am sure you would like it.

Later on next summer if I am remaining here you shall come here

& see it all for yourself.

Heaps, & heaps of love

& some to Olga & Vera

Darling Hilda,

You have answered, the only one out of all the crowd of my daughters. You want to know why I think you would like to be here, and stay at a "Datcha". Well I told Mamy already, because: first, there are pine woods all round, and the houses are in the midst of pine woods. Second, because when the sun is out people do not bother to dress, not even grown up, they walk bare foot, and just something over the top, so that the sun strikes right into the bones, and thirdly you havent to wash, and dress often. Well isn't this enough for you. Then again, the water mellons at 3. & 4d Each as big as your head & twice so, with splendit red juicy hearts. I have got half on the table now if you could see it? It tastes lovely.

Then for instance you ought to see some of the children with red handkerchiefs round their necks marching in the streets with banners, & music. Those are the pioneers. I am sure you would like it. Later on next Summer if I am remaining here you shall come here & see it all for yourself.

Heaps & heaps of love & some to Olga & Vera

Yours allways loving
