3./

3.
Departmental reports.

The Council resolved that its case be set out in a memorandum to be compiled from reports to be submitted by Heads of Departments detailing the problems that would require solution if the proposed separate control were to be established.

Reports annexed as follows:

- "3A" "3A" - Medical Officer of Health, dated 15th June, 1959.
"3B" "3B" - City Electrical Engineer, dated 5th August, 1959.
"3C" "3C" - City Treasurer, dated 6th August, 1959.
"3D" "3D" - City Engineer, dated 7th August, 1959.

4.
Questionnaire.

"4" The Investigating Committee has sent the attached questionnaire (Annexure "4") to each local authority in the Cape Province. The covering circular states:

"It is appreciated that in respect of some of the questions it may be impossible to give exact figures. It is therefore stressed that it will be quite sufficient if in such cases the figures asked for are given as an estimate. For the purposes of the Committee it will be sufficient if the figures can on broad lines give an indication of the population and financial position referred to in the questionnaire."

5.
Terms of reference of the Investigating Committee.

"5" For information the terms of reference and the personnel of the Investigating Committee are again circulated. Annexure "5".

6.
Interview with Investigating Committee.

Application has been made for the Council's delegation to appear before the Investigating Committee on Friday, 18th September, 1959, at 9.15 a.m.
