28. 2. 66.

Dear Mr. Loggins,

Thank you for your letter which I received on the 23rd. I have been off sick for two weeks, now I'm much better. I have been trying to contact you through the phone but failed. I can be pleased if we can meet on Friday, <sup>14.3.66</sup> and discuss this. After our discussion I can then see the lawyers on the same day if possible.

I want to apply for an exit permit for the whole family.

As I have said before, that my condition (health), has deteriorated & I know my health better than any body else.

Normally prostate glands give trouble after the 50th year. In this case I feel age has not been a predominant cause of the enlargement.

or otherwise of the glands. It can  
 be due to many other causes.

I am afraid his is not in  
 safe hands but I want a  
 complete report from the Doctors  
 who are attending to him.

My great fears are complications.  
 What careful and sympathetic  
 treatment is he receiving? In all  
 respect he requires special  
 treatment and attention.

We must press that he should  
 be taken to where I must  
 personally supervise his health.

I think this surgical treatment  
 which was delayed, will do him no  
 good.

I hope you will be free  
 on Friday afternoon.

With good wishes,

Sincerely,

Venicea Sobukwe
