Dear Sir,

I decided to make an application for admission to the Faculty of Medicine in the University of Natal.

Please assist me in this matter. From the look of things I made an application very late. However I am still very hopeful.

Please help me.

Hoping to hear from you very soon.

Yours sincerely,
Edward Cele.

Dear Edward,

Your letter arrived today and I phoned the Medical School at once. Your application has not yet arrived, and if it does not arrive within a day or two, it will have no hope of being considered because the selection process is already far advanced. However if it arrives pretty soon, they have agreed to accept it as a late application. There are about 200 applications, and only the best 40 will be chosen. These 40 are selected by a Board, and as I am sure you will understand, their only test is the quality of the candidate. So I hope your application has already been sent off.

Yours sincerely,
