MRS. MATABULA says—

'It's so much smarter to own a JEWEL'

Like thousands of proud JEWEL owners, Mrs. Matabula says—"I'm so excited about my new stove, I must tell you all about it! Firstly its beautifully finished in easy-to-clean Highlight Green enamel and has the features that every woman wants, a plate-warming canopy, big oven and a six-plate cooking top! Then it's so smart from the economy viewpoint too, because it uses very little fuel and it's built from cast-iron which lasts forever. I chose the De Luxe model with canopy and side hot-water reservoir, but a lower-priced JEWEL with a splash-back and plate-rack only, can also be bought."
