Excellent racing is likely at Turflontein on Saturday when the Transvaal racing Club holds a meeting of eight races- three for measured classes.

Chief race is the City Han dicap over nine furlongs and The Navy, just back from Cape Town, appears the best It may be that Maurice Na'han's colt is not quite racing fit but this will probably se evident from the betting market. If the Navy is strongly supported he should win

Check Point appears next, 4 SUBURBAN HDCP best while Light Wine, winner the Donsdale Stirrup Cup. and Sociology should be factors in the finish. Bruce.
C ntaurus, and Misty Star seem the best of the others.

The sprint race should be won by Mayflower despite his big weight. But if he does not accept then the issue should be between Sesom and Snag, two recent winners.

The A division Galloway race may be won by Electric Shock. This runner has not accepted for today's meeting at the Vaal and if he is being kept in reserve for Turffor tein he should be hard to beat. But it is an open race. Free Ale was narrowly beaten by Ruffled and must have a chance while Hitch Knot was hampered in that race and must be thereabouts at the finish as well. Watch Tumbler. This stayer is showing signs of a return to form and at his best he would trouble the 2 field. Verderer and Gunner's Son must also have chances.
